Acknowledgement

I wish to express my profound gratitude to my Ph. D guide Dr. (Mrs.) Shaila Subbaraman for her invaluable guidance, continuous encouragement and moral support during the entire period of this research work. Her technical acumen, precise and patient suggestions and timely discussions whenever I was in need is whole heartily appreciated.

I am grateful to dissertation committee and Library of WCE, Sangli for sharing the resources for building this research. I would like to thank whole heartily, Vishnu Jathar, Jathar Textiles, Ichalkaranji for their kind sponsorship.

I am forever indebted to the management of my institute Textile and Engineering Institute, Ichalkaranji specially to Dr C.D. Kane for encouragement and for all the financial support for my research presentation for WCE09 Conference at Imperial College London. I am thankful to Principal Dr P.V. Kadole and Dr.A.I Wasif for sponsorship and timely support in all the phases of this research. Also thanks are due to Dr. J.V.Desai for his timely motivation.

Special thanks to Dr. Abhyankar of V.I.I.T Pune; for patiently listening to my progress presentations and providing valuable suggestions that improved the quality of this study.

Thanks for all the support and suggestions by Dr. Mrs. L. S. Admuth and Dr. S.A. Patil. Part of this research work was carried out at T.E.I Ichalkaranji. My sincere thanks are due to all my colleagues and staff of Electronics, E.T.C. and Electrical Department for their cooperation and concern. Thanks for all the help from T.E.I. Library and for support and necessary knowledge received at Textile Physics lab for preparation of image data base for my research. Sincere thanks are extended to my all other colleagues at T.E.I.

Special thanks to S.U.Kolhapur for providing support of Electronics Dept. as a research center. My sincere thanks are due to Dr. Uplani, staff members of Shivaji University for valuable suggestions which indeed helped in improvement of this thesis. My special thanks are due to Mrs. Khanvilkar of Shivaji Univeristy and her colleagues for their support in completing the university formalities.

Words are not enough to express my gratitude to my beloved mother for all the inspiration, moral support and encouragement given. I wish to accord my special thanks to my spouse Dr. V. Sathyanarayana for his special respect towards education, encouragement, moral and strong support throughout the research period. With highest remembrances, I recollect each day of my research work along with my regular job, which turned to be a enjoyable and cherished moment due to my caring son Vikas. Whole hearted thanks to my family members, my sisters Uma, Raju, Susheela and Hema, in laws and kiths for their care and support at all stages of my education because of whom what I am today.

Whole heartedly thanks to all my teachers for their timely guidelines and to my old friends for their care towards me at all times. Special gratitude to Brahmakumaris family, Ichalkaranji, for the knowledge which enlightened me to cope with my research along with everyday activities. Lastly this Thesis is dedicated to my father Late Shri. M. R. Golsangi, my Late in Laws and my brother Late. Ravindra who were source of inspiration during their life period.

Mrs.V. Jayashree.
