ACKNOWLEDGEMENTS

It gives me great pleasures to express my heartfelt indebtedness to my supervisor Prof. B.R.K. Sinha (Department of Geography, Faculty of Science, Banaras Hindu University) for his stimulating, invaluable and benevolent help, creative suggestions and timely advice through all the stages of this work. Without his help and guidance it would not have been possible for me to complete the present work. I am also indebted to my supervisor Dr. Manjari Bhattacharji (Reader, Department of Geography, Visva-Bharati) for all the help, support and advice that she provided during the entire period of this research. I also express my heartfelt gratitude to the Head, Department of Geography (Prof. Guru Prasad Chattopadhyay) and all the faculty members of Geography Department, Visva-Bharati, for their advice and suggestions as well as the non-teaching staffs of the Department for their help, support and cooperation.

I am, very thankful to Miss Sapna Dural and Mr. Paul Yogesh Rai for helping me in my field survey and assisting me during master sheet preparation and I also express my heartfelt thanks to my friends Mr. Pradip Kumar Roy and Mr. Kamal Raj Saini for sharing my difficulties. I am also obliged to Mr. Topden Gyamtso Bhutia, for his motivation and support. I sincerely express my thanks and gratitude to all the family members of Prof. B.R.K. Sinha for their kind hospitality and co-operation and I also express my thanks to my juniors and friends in Visva-Bharati, Santiniketan as well as in New PG Education hostel BHU.

I am also indebted to the authorities of Visva-Bharati University for providing UGC non-net research fellowship and all the required facilities for carrying out this work. I must thank Mr. Sonam Yogel Bhutia (senior scientist, department of science and technology, West-Bengal) for helping me in preparing maps of the study area and Dr. Seraph Bhutia (Head, Department of Geography, Darjeeling Government College) for his support. I am also thankful to the authors of various books as well as the editors of various journals as it provided knowledge and new ideas that helped me a lot while writing this thesis. And I also thank the respondents as well as the family members of the surveyed households for their patience and kind cooperation in my entire field survey. I also thank Mayuri Book Binders, Lanka (BHU), Varanasi and Mr. Sagar staff (adhoc) BHU for all technical arrangements.

I am greatly obliged to each and every member of my family specially my parents and my younger brother and sister in law as they had to suffer various kinds of ordeals during the entire period of this research. And above all, I thank my Lord for His unfailing love and mercy. Words can never express my gratitude to them who were at the back stage continuously praying for me.
