Acknowledgements

This thesis is the result of a journey of work whereby I have been accompanied and supported by many people. It is a pleasant aspect that I have now the opportunity to express my gratitude for all of them. Firstly, I offer my adoration to almighty who created me, gave me the strength and courage to complete my research work. I would like to express my deep gratitude to my guide Dr. V.K. Thakar, Head, Department of ECE, for his valuable guidance, whole hearted cooperation, moral support and appreciation which culminated in the successful completion of this research work. Words are inadequate to appreciate the knowledge, insight and patience with which he guided this work. I am very much thankful to him for sparing his precious time to read this thesis and giving valuable comments. His dedication towards work, method of problem solving and helping nature has inspired me and will continue to inspire me for the rest of my career.

I would like to extend my sincere regards and thanks to Dr. N.M. Patel, Associate professor, Computer Engineering Department, for providing valuable suggestions and help during my work. I take opportunity to thank Prof. T.D. Pawar, Head, Electronics Engineering Department, B.V.M. Engineering College for providing all kinds of help throughout my work. I owe my deepest gratitude to Dr. B.R. Parekh, Head Electrical Engineering Department and Prof. A.A. Shaikh for providing me mental support as an own daughter and excellent suggestions. I am also thankful to Prof. Nilesh Desai, Associate Professor, ECE department, GCET for his kind help to provide books from library.

I would like to express my deep sense of gratitude to Dr. V.S. Patel, Honorable Director, SICART for providing me work space and necessary resources to carry out this research work. It is an honor for me to express my deep sense of gratitude to Dr. C.L. Patel, Chairman, Charutar Vidya Mandal (CVM) for giving permission to pursue in-service Ph.D. I am extremely thankful to Dr. F.S. Umrigar, Principal BVM for his kind support, continuous inspiration and providing necessary resources during the research work. My very special thanks goes to Prof. M.M. Solanki for his support and helping hand throughout my research work. It is pleasure to thanks Prof. Vina Chauhan, Prof. Heena Kher, Prof. Ramji Makwana for their kind support during my research work.
