ACKNOWLEDGEMENT

I have indeed no words to express my gratitude to ever sympathetic guide Prof. Dr. Samir J. Patel, Department of Psychology, Sardar Patel University, Vallabhbhai Patel University, Vallabh Vidyanagar for invaluable guidance and inspirations, in the absence of which this thesis would not have been completed.

I would also note with deep sense of gratitude, the contribution given by Dr. Kanchana Watthayu, (Vice Director) the National Institute for Development of Teachers, Thailand.

I am also grateful to the teachers and educational personnel in Bangkok, Thailand who provided the data and all the information. I indeed thankful to them all who have directly or indirectly extended their help.

Finally, specially, the thanks are also due to my parents, who helped and provided the strong will-power during a longer period of study.

1st June, 2011                                                                                        Niyomporn Thamvongsa
