ACKNOWLEDGEMENT

I have indeed no words to express my gratitude to ever sympathetic guide Prof. Dr. Samir J. Patel, Department of Psychology, Sardar Patel University, Vallabh Vidyanagar for invaluable guidance and inspirations, in the absence of which this thesis would not have been completed.

I would also note with deep sense of gratitude, the contribution given by Dr. Kanchana Watthayu, (Vice Director) the National Institute for Development of Teachers, Thailand.

I am also grateful to the students in primary and secondary schools in the Eastern part of Thailand who provided the data and all the information. I indeed thankful to them all who have directly or indirectly extended their help.

Finally, specially, the thanks are also due to my parents and everyone in my family, who helped and provided the strong will-power during a longer period of study.
