DEDICATION

This study - thesis on "Democratic Conscience in the Indian Constitution and Judicial Trends", is dedicated in the sweet memory of my beloved late parents, mother Smt. Harvati Devi and father Shri G.P. Mishra, who always inspired and encouraged me for the task, passed away in July - August 1991, before I could be able to complete the work. May their soul find peace and solace in the heavenly abode whose blessings have always given and will give strength and guide my path.

With a sense of love, respect and gratitude.

Dated: 25th Dec. 1991. Loving son,
