Acknowledgement

It is indeed an exclusive opportunity for me to acknowledge here a number of people who had been helpful to me directly or indirectly professionally and non-professionally, within and without the research work. It is of course quite difficult to name everybody here.

Foremost I thank my Almighty God with whom this work could never have been possible.

I first offer my deep sense of heartfelt gratitude to my able and learned guide honourable professor Dr. (Mrs.) S. Sahai, Former Head Department of Zoology and Former Vice chancellor. Dr. Hari Singh Gour Vishwavidyalaya, Sagar (M.P.). I am indeed highly obliged to her for her proper direction throughout my study period. She inspired encouraged guided and helped me very affectionately. She helped me in solving various problems. Without her valuable suggestion and pain taking corrections my work could not have taken its present shape so soon. She spared her precious time for consultation whenever and wherever I needed. I express my deepest gratitudes to her.

I am also thankful to Prof. O.P. Gupta, Head Department of Zoology, Dr. Hari Singh Gour Vishwavidyalaya, Sagar for all his help and co-operation.

I am also thankful to the Jawaharlal Nehru Library staff of the University and the staff of Zoology Department for help from time to time.
I am extremely grateful to forest head office of Nauradehi and Ramna in Sagar (M.P.).

I am also thankful to Dr. Santosh Dubey. I can never in my life forget the help inspiration, moral and material support by them.

I am thankful to my uncle Mr. S.K. Trivedi for all his support. He helped me with the best he can.

I wish to express my thanks to my father Shri Satya Narayan Kuril and my mother Mrs. Chandra Kala Devi who were always very cooperatine and helpful. She was with me at every moment directly and indirectly in her words and deed.

I am thankful to my sister Mrs. Manju and feel it quit adequate to express my true gratitude to my brothers Mr. Vinod and Pramod. I can’t express in words his help for the sake of my research work.

I am also thankful to my colleague Manisha Agrawal, Mukesh Tiwari, Nitu Bidua research scholar department of Zoology for always helping me.

I am also thankful to Mr. N.R. Patra for computer typing of my thesis.

Without the kind help and co-operation of all the well wishes my pursuit of this arduous work could not have been completed.
