ACKNOWLEDGEMENTS

It is my privilege to owe a special debt and deep sense of gratitude and indebtedness to my esteemed supervisor Dr. Sunita Bhargava, Reader, Department of Zoology, Dr. H.S. Gour Vishwavidyalaya, Sagar, for her erudite supervision, personal interest, invaluable guidance rendered at every stage of this work. I also acknowledge the valuable advices and constant encouragement all through the completion of this work.

I am thankful to Professor B.K. Shrivastava, Head, Department of Zoology, Dr. Hari Singh Gour Vishwavidyalaya Sagar, for his unvarying kindness and providing all necessary laboratory facilities during the period, this work was done.

I am highly obliged to Professor Y.N. Sahai for his critical suggestions and personal interest and guidance provided.

I also wish to express my thanks to Dr. V.S. Bais and Dr. (Mrs.) M. Bhide, Reader in Zoology, for their constant cooperation and encouragement during the period of this work. I am extremely grateful to Dr.S.N. Limaye, Dr. Nitin, Department of Chemistry for their unforgettable cooperation.

I pay my thanks to Shri Mandlik and Shri Tiwari, T.S.L. Sagar and Shri Pramod Ram, University Hospital Sagar for their assistance in the work.
I will fail in my duties if I don't acknowledge the help and encouragement and personal interest shown by my ex Professor H.K. Saxena.

I express my deep sense of thanks to Smt. Vineeta Bhadura, my coresearch fellow who walked every step together and helped a lot during the period of this work. I am also thankful to my friends Shri Prassana Dubey, Shri O.N. Tiwari, Shri Sanjay Mishra, Shri Devendra Agaria, Shri Ravi Goswami for their help received during the period in various ways.

I am really indebted to all my loving parents without whose blessings and encouragement this work would not have reached to completion. I am also thankful to my brothers Ashish and Raja and sisters Jyoti and Rashmi who also helped me in various ways.

I offer my profound respects and sincere thanks to my uncle Shri B.L. Gupta and Shri O.N. Bhargava, who take care and encouraged me during the period of this work. I am also thankful to dear Amitabh Bhargava and Priyanka Bhargava who helped me in various ways during the period of this work.

I greatfully acknowledge the award of a research fellowship of the Directorate General of Health Services, New Delhi, which enabled me to complete the work successfully.
