ACKNOWLEDGEMENT

It gives me a great pleasure to express my heavy debt of gratitude to my research guide Dr. S.S. Kolekar, Department of Chemistry, Shivaji University Kolhapur for his keen interest, valuable guidance, continuous encouragement and constructive criticism during the entire period of research work.

My heartful and sincere thanks are due to Prof. M. A. Anuse, Department of Chemistry, Shivaji University, Kolhapur for fruitful discussion, which led me to present my work.

I am grateful to Hon. Vice-Chancellor and Hon. Registrar, Shivaji University, Kolhapur for providing me all essential and possible facilities.

I would like to express my sincere thanks to Prof. S. R. Patil, Head, Department of Chemistry and Prof. P. P. Hankare, former Head, Department of Chemistry, Shivaji University Kolhapur for providing me necessary facilities and encouragement during research work.

I am thankful to Prof G. S. Gokavi, Dr. G. B. Kolekar, Dr. P. V. Anbhule, Dr. S. S. Chavan, Prof. M. B. Deshmukh, Prof. B. S. Mohite, Prof. P. N. Bhosale, Dr. (Mrs.) R. S. Salunkhe, Dr. D. M. Pore, Dr. G. S. Rashinkar, Dr. K. M. Garagkar, Dr. D. H. Dagade, Dr. Sandip Sankpal and non teaching staff of Department of Chemistry, for their keen interest and encouragement during the research period. I am also thankful to Dr. P. D. Raut, Head, Department of Environmental Science, Shivaji University, Kolhapur for providing me the facilities and guidance during my research work.

I am highly grateful to Dr. S. N. Gavale, Dr. C. P. Mane, Dr. V.M. Gurame, and Dr. S. H. Gaikwad for useful discussion and valuable guidance during this work.

My special thanks to my research colleagues Mr. D. K. Pawar, Mr. A. M. Mandhare, Mr. P. P. Salvi, Mr. B. G. Pawar, Mr. S. C. Utture, Mr. G. S. Kamble, Mr. M.D. Jamdar, Mr. D. P. Waghmode, Mr. S. P. Jagtap, Mrs. A. A. Ghare, Mrs. A. P. Gaikwad, Mrs. L. E.
Narhona, Miss. R. S. Patil, for their cheerful co-operation and help in every aspect throughout the work.

Life blessed me with the opportunity to meet a wonderful friends and I express my warm thanks to Vikas, Vishal, Vinayak, Khudbuddin, Dayanand, Sandip, Prasad, Kedar, Deepak, Satish, Sharad, Manoj, Anil, Prakash, Dipti, Taranum, Sandhya, Bapu, Sunny, Swapnil, Mahesh and Prasad Joshi for their constant friendly support. I am also thankful to my departmental Colleagues Raju, Shivaji., Sandip, Netaji, Rupesh, Miss. Mahanawar, Miss. Kharade and I wish to expand my gratitude to Dr. S. Sable, Dr. B. Yamgar, Dr. U. Lad, Dr. S. Jadhav, Dr. A. Sawant, Dr. S. Bhattar, Dr. A. Supale, Dr. U. Mote, Dr. A. Varale, Dr.(Miss) V. Sawant, Dr. R. Mane and all the research students of Department of Chemistry who directly or indirectly helped and encouraged me throughout the research work.

It’s my fortune to gratefully acknowledge the support of some special individuals. It is also a pleasure to mention about Umesh, Jaypal, Vikas, Shrikant, Ranjan, Yogesh and Ravi they were always beside me during the happy and hard moments. Thank you doesn’t seem sufficient but it is said with appreciation and respect to both of them for their support, care, understanding and precious friendship.

I am immensely indebted to my respected and beloved parents. It wouldn’t have been possible to write this doctoral thesis without the extreme strength, love, understanding and most precious blessings I received from them. I owe every bit of my existence to them. And most of all for my loving, supportive and encouraging brother, Mr. Abhijeet who’s faithful support during the various stages of this Ph. D. is so appreciated. Finally, I am grateful to my beloved grandmother who blessed me not only during this Ph. D. work but throughout me life.

Ashish S. Sartape
