ACKNOWLEDGEMENT

I express my sincere indebtedness and gratitude to Professor Rajesh Anand, Deputy-Secretary, University Grants Commission, New Delhi ( Former Professor and Head, Department of Earth Sciences, Manipur University, Imphal ) for his able guidance and supervision, valuable and timely suggestions, encouragement and constructive criticism without which, the work could not have been completed.

I express my sincere thanks and gratitude to Dr. R.A.S Khuswaha Head (i/c), Department of Earth Sciences for his constant help and encouragement while carrying out the research work. Thanks are also due to Dr. Arunkumar and Shri S. Ibotombi of the Department of Earth Sciences, Manipur University for their encouragement, discussion and manifold help.

I take the opportunity to sincerely thank to the North Eastern Council ( NEC ), Shillong, Directorate of Science Technology and Environment, Government of Manipur, Science and Technology Council, Govt. of Manipur for giving doctoral fellowship in the term of J.R.F. for six months and two years and young Scientist scheme respectively for financial assistance.

I am highly indebted to Professor A.K Prasad, the then, Director/Chairman/Pro-Vice-Chancellor, Panjab University, Chandigarh for his invaluable guidance, constant inspiration and for providing laboratory facilities for geochemical work.

I am also thankful to Dr. D.T. Khathing, Professor and Head, RSIC( Regional Sophisticated Instrumentation Centre ), Shillong for extending help to carry out geochemical analysis for trace elements of water and soil samples at their laboratory.

I would like to acknowledge with thank Professor H.Tombi Singh, Vice-Chancellor, Manipur University for allowing me to use his laboratory in the Department of life Sciences.

I am grateful to Dr. R.K. Shyamananda, Principal Scientific officer, Science and Technology Council, Government of Manipur for his timely suggestions and helps.

I am extremely thankful to my Seniors & friends who have helped me in different ways. The list is a long one but the few worthy of mentioning are Dr. Dinachandra Singh,
Senior Scientific Officer, Science and Technology Council, Govt. of Manipur, Dr. Gonchandra Sharma Senior Scientific Officer, Manipur Pollution Control Board, Dr. Nabachandra Singh, Senior Scientific officer, Science & Technology, Forest and Ecology, Mr. Bimolkishor Singh of Loktak Development Authority, Mr. Th. Sona Singh, Mr. Sanamacha Singh, Miss Th. Devola Devi, D.P Singh and Dr. Anita Akoijam.

I am thankful to Kumari G. Sangeeta Devi for helping in the cartographic works of my Ph.D. thesis.

I express my sincere thanks to Kumari L. Bina Devi for the whole computer work of this thesis and printing efficiently.

Very sincere gratitude and regards are due to my parents (Shri O. Modhumangol Singh and Smt. O. Tombi Devi), father and mother - in - laws (Shri Th. Dhaballo Singh and Smt. Th. Ibempishak Devi), sister-in-laws Smt. Sharmila, Km. Sunita, Purnima for sharing the family obligations to enable me to complete this work. In fact, I owe a special debt of gratitude to my family members for their unfailing support and constant encouragement without which this work would have remained incomplete. My thanks are also due to my elder brothers O. Arunkumar, O. Romeshkumar, elder sister Dr. O. Sanahanbi Devi and elder brother in-laws Dr.Th. Sudhirkumar Singh for their constant encouragement.

I express my special thanks to my younger brother O. Antakumar Singh who accompanied me throughout the field work and help me in many ways.

I express my appreciation of the help and encouragement, received from my husband Dr. Th. Sushilkumar Singh, throughout the work and without whose inspiration and co-operation it would not have been possible for me to complete this work.

I express my hearty love and affection to my daughter ‘Sydenny’ for sharing the big burden from the very beginning of her life in my womb till submission of the thesis.

Last but not the least I would like to express my gratitude to all the staffs of the Department of Earth Sciences who helped me in different ways from time to time.

November.............1998

O. Geeta Devi

(OINAM GEETA DEVI)
