A journey is easier when you travel together. Interdependence is certainly more valuable than independence. This research work is the result of three years of work whereby I have been accompanied and supported by many people. It would be impossible without people who support me and believed in me. It is a pleasant aspect that I have now the opportunity to express my gratitude for all of them.

At the very outset I have the pleasure to express my heartiest gratitude and sincere thanks to my esteemed supervisor Dr. Thoidingjam Purnima Devi Assistant professor Department of Library and Information Science Manipur University, Canchipur for her invaluable inspiration continuous advice and taking care throughout the course of my research work. Because of her guidance constant support and encouragement I am able to complete my work in time.

I am very thankful to the Manipur University authorities for giving me the opportunity to carry out this research work and for providing me financial assistance of departmental scholarship for a period of one year.

It gives me immense pleasure to express my special thanks to B. Kullachandra Sharma Assistant Registrar co-operative department for assisting me full support in analyzing the thought content of the Manuscripts and also providing me the necessary information needed for my research work. He is not only a great scholar with deep vision but also a kind person. His trust and excitement inspired me in most important moments of making right decision and I am glad to work with him. I want to thank him for his patience and professionalism. Without his able guidance, support and encouragement the work cannot come in the present form.

I wish to extend my gratitude to my teachers, Dr. Ramansu Lahiri, Dr. Th. Madhuri Devi, Shri Ch. Radheshyam Singh Dr. Th. Khomdon Singh, Prof. Ksh. Bimola Devi for their constant support and academic advice during the course of my study. The cooperation I received from other faculty members of this department is gratefully acknowledged. I will be failing in my duty if I do not mention the Library staff of our University for their timely help.

I wish to express that I would never forget the company I had from my fellow research scholars of my department and some friends. In particular, I am thankful to Th. Suleta Devi, Dr. K. Sangeeta Devi, Dr. Kh. Ashalata Devi, G. Padma Devi, Ch Tanuja Devi Th. Shyam Singh, Ch. Vikas, Ng. Santosh Singh and Sorokhaibam Santakumar for their help and continuous support and warm companionship in every step of my work.
I want to thank all great people who taught me how to think in a global way.

I wish to express my deep sense of gratitude to Dr. TAV Murthy, Director INFLIBNET and all family members of INFLIBNET for their moral support and encouragement.
I enjoyed my work with the company of the verification group members namely, Sh D P Negi, Sh. Prem Chand, Sh. B Ramesh, Sh. H.G Hosamani, Sh. Suresh Kumar Chauhan and Sh Sunil G Dandwani for their help, and consultations.

My special thanks to my Honorable Director Dr. TAV Murthy for being kind and patience while editing this text.

Last but not the least I am pleased to express my heartfelt regards to my parents, who taught me the value of hard work by their own example. I would like to share this moment of happiness with my mother, brothers, sister in law and my nephews. They rendered me enormous support during the whole tenure of my research. The encouragement and motivation that was given to me to carry out my research work by my father Late Thiyam Temba Singh is also remembered. The happy memory of my father still provides a persistent inspiration for my journey in this life.

Finally, I would like to thank all whose direct and indirect support helped me completing my thesis in time. I always remain thankful to Almighty for making me fit and healthy all the time. Thanks for everything that helped me get to this day.
