ACKNOWLEDGEMENT

My all praise to almighty God whose kind grace helped me to complete this assignment.

I owe a deep sense of gratitude to my supervisor Dr. Ashok K. Bhargava, Reader in Department of Botany, Maharaj Singh College Saharanpur. I express my profound sense of obligations to him for suggesting me an updated research topic of vital interest and for sparing his valuable time inspite of his awfully busy academic schedule, for going through this manuscript critically.

I am thankful to Dr. K.K.Sharma, Principal, and Dr. S.K. Upadhaya, Head Department of Botany for providing me necessary laboratory facilities.

I acknowledge my thanks to Dr. D.R.Panwar, Dr. S.K.Agarwal and Dr. Vijay Malik for their suggestions and co-operation. Thanks are also Dr. Rajesh Kumar, Dr. R.C.Paliwal and Senior Research Scholars.

I owe my thanks to Mrs. Shobhana Bhargava, for their hospitality.

Thanks are also due to Mr. Umesh Verma, Shri Sai Computer Art, Saharanpur for his untiring efforts in typing and shaping the manuscript.

Lastly, I offer my sincere gratitude and obligations to my Mother and Father Late Ch. Rati Ram Singh Ji; Brother and Sister-in-law Dr. Dhyan Singh and Mrs. Savitri Singh; Dr. F.L.Singh Mrs. Mitalesh Singh; Sister and Brother-in-law Mrs. Kamlesh Singh and Rajpal Singh; Sumitra Singh and Puran Singh; Nephew Navneet Singh, Ajay Raj Singh, Himanshu Singh and Ruchi Singh all dear and near ones for encouragement and support.
