ACKNOWLEDGEMENT

The present study is made possible directly or indirectly by a wide variety of persons, offices and workers acknowledging some of whose contribution is a pleasant and unavoidable necessity. I must deem myself lucky to have been placed under the supervision of an experienced and affectionate teacher, Dr. N.P. Singh, Department of Geography S.S.V. (P.G.) College, Hapur (C.C.S. University Meerut), who has taken great pains in going through the manuscript and supervising the entire work. It would not have been possible for me to complete this work without his guidance.

I am grateful to Prof. R.D. Sharma, Principal, S.S.V. (P.G.) College, Hapur for providing all the necessary facilities to complete this work.

I have received helpful comments and suggestions from Dr. C.N. Dwivedi, Ex-Principal, A.K. (P.G.) College, Shikohabad. At the grass root level are the villagers and administrative officers of the C.D. Blocks and Rohtak district, who most willingly helped me and endured my frequent encroachment on their time in the process of data collection. They are infact the informal partners of this research work. I thank all of them for their cooperation. I owe special thanks to Mr. Naresh Kumar & Mr. Rishikant Gupta, Meerut Commercial College, Meerut who has taken sincere in the typing of this work.

Throughout my involvement in this research work, Prof. Virendra had to take care of many things and they, therefore, deserve a share of whatever pleasures are their in the completion of this work.
