ACKNOWLEDGEMENT

I welcome this opportunity to express my sincere gratitude to Professor D.R. Bhawalkar, M.Sc., Ph.D. (Lond.), Head of the Department of Physics, University of Saugar, Saugar (M.P.), India, for suggesting the problem of this thesis, for his constant encouragement and valuable guidance at all stages of the work. My thanks are also due to the members of the staff and colleagues in the Physics Department of the University of Saugar, for their help and encouragement.

I am also grateful to the University Grants Commission, Government of India, for awarding me a post-graduate scholarship during the course of these investigations.

Saugar,
13th Dec 1962.

P.K.C. Pillai
