ACKNOWLEDGEMENT

The author acknowledges with deep sense of gratitude his indebtedness to Professor A.K. Bhattacharya, D.Sc., F.R.I.C. (London), F.N.A.Sc., Head of the Department of Chemistry, University of Saugar for his keen interest, encouragement and valuable guidance throughout the course of the investigation.

The author is much grateful to Dr. S.N. Banerji, M.Sc., D.Phil., Reader in Chemistry (Retired), U.G.C. Research Professor, for going through the manuscript and making helpful suggestions.

He also wishes to express his sincere thanks to all those who have encouraged and helped him at various stages of this work.

Thanks are also due to Ministry of Education, Government of India for the award of a research training scholarship.

(BADRI PRASAD KHARE)
