Acknowledgement

First and foremost, I am profoundly and everlastingly grateful to my esteemed guide Dr Mukesh C Patel for his valuable guidance, positive approach, inspiration, patience and enduring leniency throughout the course of my work, providing a major momentum which has successfully led me to the completion of this work.

I express my warmest gratitude to Dr A J Raval, Principal of P B Science College, Kapadwanj and all the staff members for their constant encouragement and support.

I am grateful to the Kadi Sarva Vishwavidyalaya and its President, Shri V M Patel for providing opportunity to study in such esteemed organization. It is indeed to record my appreciation to the Administrative staff of Kadi Sarva Vishwavidyalaya for their kind cooperation and support. I forward my appreciation to Dr A S Gor, Principal of Pramukh Swami Science and H D Patel Arts College, Sarvavidyalaya Campus, Kadi.

Words fall short to express my profound gratitude to my parents, who have been the pillars of my strength. With enormous pleasure, I express my thanks to my husband Rupesh for his unconditional support and motivation during the entire course of my PhD work. I take this opportunity to express my gratitude to my parents in law Kantibhai and Vidhyaben and all family members from the bottom of my heart for their selfless encouragement and help in the hour of need.

Last but not the least; I thank the almighty Goddess Saraswati for showering her blessings on this piece of work.
