Acknowledgement

Too often a sense of loyalty depends on admiration and if we can’t admire it is difficult to be loyal.

I am sincerely thankful to my guide Dr. A.D.shah for the invaluable guidance, meticulous efforts, constructive suggestions, and constant encouragement that helped me in bringing out this study successfully.

I am also thankful to all the staff members of the college, Principal of the college, Principal of the schools, students, all the authors, and all the persons who have directly or indirectly supported in this research work.

Without their kind support and co-operation this research work would not have been accomplished.

Last but not the least, I extend my special thanks to my family and friends who stood by my side and rendered the much needed moral support and encouragement.
