ACKNOWLEDGEMENT

Submission of thesis is indeed a very special occasion for me to express my sincere regards and heartful appreciation to all those who made possible this thesis a reality.

First and foremost, I am profoundly and everlastingly grateful to my esteemed guide and guru, Dr. Ashlesha G Makwana, for his valuable guidance, positive approach, inspiration, patience and enduring leniency throughout the course of my work, providing a major momentum which has successfully led me to the completion of this work.

My father and mother, Bhavini, Haresh, Nayana, Parth, Mantra and Dwija for their loving care and support thought the journey.

Dr. Arvind Jangid, Head Bio analytical Department, Accutest Research Lab, Ahmedabad, for his inspiring guidance, valuable suggestions, constructive criticism, cooperation, constant encouragement and active supervision without which it would have not been possible for me to present this thesis.

It is my privilege to acknowledge Dr. B.N. Suhagia, Dean, Pharmacy College, Nadiyad, Gujarat, for his constant encouragement, advice and help at all times of need.

Dr. Bhavesh Patel, for his inspiring guidance, valuable suggestions and Dr. G. B. Shah, Principal of KBIPER for his kind co-operation.

I wish to accord my gratitude to Dr. Nirav Gandhi, President of Accutest Research Lab (I) Pvt. Ltd. for his invaluable suggestions, advice, concern and help. I shall fail in my duties if I do not reveal my heartfelt thanks to Dr. Satish Sawant, Director, Accutest Research Lab and Dr. Ashutosh Pudage, President, Accutest Research Lab, India, for his helpful nature, moral boosting, and especially for allowing me to utilize all the relevant instruments, chemicals and library facilities of Accutest Research Lab to pursue my PhD work.

The teaching and non teaching staff of Pharmacy Department, KBIPR deserves a special mention for their kind cooperation and concern for the future of students. It is indeed my pleasure and privilege to record my appreciation to all my lab members and my friends,
especially Mr. Hitesh Dodiya, Mr Jigar Patel, Dr Hiren Mistri, Paresh Mistry, Sharad Patel and Mr Hitesh Goswami who has always lent a helpful hand and made this phase of my life memorable.

A special gesture of gratitude for my Accutest rocking team, Chandrakant, Vishal, Jayesh, Asha, Mandeep, Nayan, Mehul, Mukesh, Manojbhai, Keshavbhai and Prakashbhai whose unconditional help make this research work up to the mark.

I am greatly thankful to Late Shri Maneklal Patel, Shri Vallabhbhai Patel - President, Kadi Sarva Vishwavidyalaya, for providing me an opportunity, good platform and all the necessary facilities without which I can never complete this project work successfully.

Finally, I would like to thank everybody who was important to the successful realization of this thesis, as well as expressing my apology that I could not mention personally one by one.

Lastly but not the least, I thank the almighty Goddess Saraswati and Maa Gayatri for showering her blessings on this piece of work.
