ACKNOWLEDGEMENTS

It is my pleasant duty to express my indebtedness to my esteemed teacher and supervisor, Professor J. D. Ranade, M.Sc., Ph.D. (London), formerly Head of the Physics Department, University of Saugar, Sagar, for his inspiring guidance, sympathetic understanding and constant encouragement to me throughout the progress of this work.

I am highly obliged to Dr. S. Sivraman, Reader in the Department for his helpful suggestions and discussion on the problem. My heartfelt thanks are due to Dr. R.K. Shrivastava, Head of the Physics Department, University of Sauger, Sagar and also to Dr. A.P. Shrivastava, Reader in Physics Department, Dr. P.S. Diwan, Dr. R. Nath, Miss C. Pillai, Dr. Umakant Mishra and Shri R.S. Soni. I am also thankful to Shri Vasudeo Vaidya, Shri G.S. Shukla and Shri Laxmi Narayan, the employees of the Physics Department.

Lastly, I am grateful to my wife Shrimati Rajkumari Kushwaha for her constant encouragement offered to me during my research.

Mahendra Singh Kushwaha
