ACKNOWLEDGEMENT

Firstly, I bow my head to God and pray to him, to dispel my all depressions and disappointments by his warm affections and to guide me in my working.

I take this opportunity to express my deepest gratitude and indebtedness to my teacher and supervisor, Dr. Anand Prakash Mishra, Reader in Inorganic Chemistry, Dr. H.S. Gour University, Sagar (M.P.) for his inspiring guidance, sympathetic understanding, sustained encouragement and absorbing interest during the entire course of this research work. Despite his busy schedule, he has generously given me a lot of time for discussion of major aspects of this work.

I am indebted to Prof. U.K. Saxena, Head, Department of Chemistry, Dr. Hari Singh Gour University, Sagar, for unreserved help regarding laboratory facilities and valuable advices to carry out the present work.

I express thank to other learned teachers of Chemistry Department, UTD Sagar for the help which they kindly extended to me whenever I consulted them. I am also thankful to the non teaching staff for their co-operation to complete the work.

Acknowledgements are also due to Central Director, DAE, Indore; RSIC, CDRI, Lucknow; RSIC, I.I.T., Mumbai and Chemistry Department, Amravati University for X-ray diffraction, elemental, analysis, spectral, thermal and magnetic studies of the synthesised compounds. Thanks are also due to Head, Botany and Physics Department of Sagar University for providing the facilities to carry out the various
biological activities and some instrumental and technical facilities at my requirements respectively. Thanks are also extended to the Central Library and Research Section of this university for cooperation and generous help.

I have no words to express my deep gratitude to my loving mummy-papa and all family members for their valuable patience, sacrifice and blessings extended uninterrupted, throughout this work. They always illuminate my path in all walks of my life.

The constant loving silence and sincerity from my hearty relation with Reshita need special mention throughout the work.

Lastly, I would not like to miss the opportunity to appreciate the cooperation of my friends and well-wishers: Smt. Ritu Yadav, Smt. Priyamvada Gupta, Ms. Richa Sarawgi, Ms. Noopur Singh, Ms. Rashmi Pathak, Mr. Rajesh Kumar Gupta, Dr. Deepak Uyias, Dr. Vivek Tiwari, Dr. Sunil Kumar Gautam, and Mr. Krishna Kumar and several others who have directly and indirectly helped me in the completion of this work.

I am also thankful to Mr. X. Patra of Professional Computers Sagar for neat and flawless typing of this manuscript and providing confidence.
