I express my immense gratitude to my supervisors Dr. S. A. Hashmi, Department of Physics & Astrophysics, University of Delhi and Prof. R.C. Agrawal, School of Studies in Physics, Pt. Ravishankar Shukla University, Raipur for their invaluable guidance, motivation and encouragement to complete this thesis work. Their continuous support and constructive suggestions always helped me staying on the right track of my thesis work. I would also like to express my gratitude to Mrs. K. Fatma and Mrs. Madhulika Agrawal and other members of both the families for their affection and support.

I would like to extend my sincere thanks to my teachers Prof. S.K. Pandey, Vice-Chancellor, Pt. Ravishankar Shukla University, Raipur; Prof. Shashi Bhushan, Ex-Head, School of Studies in Physics and Prof. D.K. Chakraborty for their support and constant encouragement. I also wish to thank all the faculty members of the Department for their co-operation.

I sincerely express my deep sense of gratitude to Prof. Suresh Chandra (Emeritus Professor, BHU) for his invaluable expert comments and suggestions. I express my special gratitude to Dr. Amita Chandra (University of Delhi, Delhi) for her support and constant encouragement. I take this opportunity to express my heartfelt thanks to the faculty members of the Department of Physics & Astrophysics, University of Delhi especially Dr. Shyama Rath and Dr. Binay Kumar. I am also thankful to Prof. K. Shrinivas, Director, USIC, University of Delhi for providing various instrumentation facilities. I gratefully acknowledge the help extended to me by UGC-DAE Consortium for Scientific Research (Formerly IUC-DAEF), Indore (M.P.) for availing instrumentation facilities (SEM & DSC).

I would like to place on record the encouragement and moral support received from Prof. R. K. Pandey (Bhopal University), Prof. S.N. Sahu (IOP, Bhavneshver), Prof. N. Khare (IIT, Delhi), Dr. Anil Kumar (NCL, Pune), Prof. Ajit Kulkarni (IIT, Mumbai), Dr. S.L. Agrawal (A.P.S. University, Rewa), Dr. Ramadhar Singh (NPL, New Delhi), Dr. D. K. Rai (JIT, Noida) during interactions with them.

I would like to acknowledge the help and cooperation received from the staff members of School of Studies in Physics and USIC of Pt. Ravishankar Shukla University, Raipur specially from Mr. B.K. Jethwa, Mr. N.R. Dani, Mr. K.P. Rathore, Mr. K.L. Rawate, Mr. B.B. Kashyap, Mr. N.K. Yadu, Mr. A.K. Yadav, Mr. H.S. Dhanend.

I take this opportunity to acknowledge the help by the technical staff of USIC & Department of Physics & Astrophysics, University of Delhi, especially by Dr. N.C. Mehra (SEM), Mr. P.K. Bora (AFM), Mr. S.K. Sharma (FTIR), Mr. P.C. Padmnakshan (XRD,

Geology Department, University of Delhi), Mr. Ravinder Singh (DSC, TGA), Mr. Satyendra Saxena (Physics workshop), Mr. Raman Malhotra and Mr. Ashokan.

I am very thankful to all my labmates, especially to Alok Bhatt, A. Chandra, Y.K. Mahipal, Dinesh Sahu, Yogesh Kumar and his wife Mrs. Pushpa, Deepak Kumar, Md. Suleman and Ms. Sellam for their valuable suggestions and support during my research work. I am also thankful to all my research colleagues at Pt. Ravishankar Shukla University, Raipur and University of Delhi, Delhi. I would remain highly indebted to my senior researchers Dr. R.K. Gupta, Dr. R. Kumar, Dr. M.L. Verma, Dr. D. K. Sahu, Dr. Parijat Thakur, Dr. Shudhanshu Barve, Dr. Pramod K. Singh, Dr. Ragini R. Singh, Dr. S.K. Tripathi for their help and encouragements.

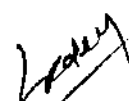

I will be falling in my duties if I miss to extend my sincere thanks to my friends especially Mr. Laxmikant Chaware, Dr. Arvind Awadhia, Mr. Anil Sharma, Mr. Brijesh Rathi for always encouraging and pushing me forward.

The love, affection and undoubted support provided by my parents were a source of constant motivation to reach up to this stage in my life. I profoundly acknowledge my indebtedness to my beloved father Shri Ambika Prasad Pandey for immense personal care. He always remained very close to me emotionally despite various odds and constraints. I also wish to thank other members of my family specially to my younger brother Dinesh and his wife Mrs. Versha, youngest brother Dileep (Satish), my elder sisters and her family members, Tripti Didi who were always behind me with all the encouragement and support which made possible to complete my thesis work without any hindrance. I am also extremely thankful to my entire well-wishers who have directly or indirectly helped me during the whole tenure of research work. I take this opportunity to acknowledge the love, affection received from kids of my family especially from my daughter Baby Shristi, Mr. Ayush and Mr. Vivek.

It is my great pleasure to acknowledge my wife Mrs. Anju, for her love, emotional support and motivation. I am greatly indebted and thankful to my Mother-in-law Mrs. Vimal Sharma and Father-in-law Shri M.P. Sharma for their support and encouragement.

I thankfully acknowledge the Council of Scientific & Industrial Research (CSIR), New Delhi for the award of a Senior Research Fellowship. The financial help in the form of Project Fellow received from UGC, New Delhi, through the Major Research Project is also thankfully acknowledged.

This thesis work could only possible by the grace of Almighty God and the blessings of people around me.
