It was a highly intellectually stimulating experience for me to have worked under Dr. S. K. Pande, Senior lecturer, SOS in Geology and WRM, Pt. Ravishankar Shukla University, Raipur, M.P. His genuine interest and constant guidance during the preparation of my thesis, went a long way in inspiring me to put forth my best. I am extremely grateful to him for all the help that he extended to me for the whole duration of work. I feel particularly indebted to his wife Dr. (Mrs.) Alka Pande for her tender and soothing feeling towards me.

I wish to avail myself of this opportunity to thank Dr. M.W.Y. Khan, Head, SOS in Geology and WRM, Pt. R.S. Shukla University, Raipur for his many-fold help in extending laboratory facilities available with the department. I also wish to express my sincere thanks to Dr. A.S.Dave, Ex-Head, SOS in Geology and WRM, Pt. R.S. Shukla University, Raipur for his generous help made available to me every time.

I shall be failing in my duty if don't express my heartfelt thanks to Dr. R.P.S. Dhakarey, Principal and to my respected colleagues Dr. D.P. Dubey, Professor & Head, Prof. R.P. Manjrekar, Dr. G.P. Pandey, Prof. R.N. Tiwari and other nonteaching staff members of Department of Geology, Govt. Model Science College, Rewa for their encouragement and valuable contributions in connection with my research work.

I thankfully acknowledge valuable suggestions and help offered by Dr. D.P. Kutty, Dr. Niran Bodhankar, Shri H.D. Diwan, Shri K.K. Verma, Shri Sujit Sen and other members of SOS in Geology and WRM, Pt. R.S. Shukla University, Raipur. I am also thankful to Dr. M.L. Naik, Professor and Head, SOS in Lifescience, Dr. K.K. Ghosh, SOS in Chemistry of Pt. Ravishakar Shukla University, Raipur for their many-fold help.
I wish to express my sincere thanks to Dr. G.S. Parasher, Professor and Head, Dr. Raychee Guhe and Dr. Vimal Kanoongo, Asst. Professors of Govt. Model Science College, Raipur for their valuable cooperation during chemical analysis of water samples. I also thankfully acknowledge the contributions offered by Dr. D.K. Singh of Govt. Engg. College, Rewa and Dr. (Smt.) Archana Bajpai Asst. Professor (Botany), Govt. Model Science college, Jabalpur regarding collection of literature.

I am thankful to the Deputy Director, Agriculture Durg, Executive Engineer, PHE Durg, Executive Engineer PWD Durg, Member Secretary, Central Pollution Control Board New Delhi, for granting permission to use data and laboratory facilities available in their departments time to time.

My sincere thanks to my elder brother Mr. Sandeepr Shrivastava, Environmental Engineer, Central Pollution Control Board New Delhi and to my Bhabhiji Smt. Nivedita Shrivastava for their kind cooperation during the chemical analysis of water samples at Central Pollution Control Board Laboratory, NewDelhi. The valuable cooperation of Shri Manoharan and Shri Gangel of same laboratory is also sincerely acknowledged.

I highly appreciate the remarkable cooperation offered by Miss. Rakhi Shirvastava of Zodiac Computers, Rewa in resolutely undertaking the computer typing of the thesis. Her devotion and dedication coupled with excellent untiring efforts enabled me to complete the thesis within time.

I also wish to avail myself of this opportunity to thank Dr. P.K. Shrivastava, Professor, Deptt. of Metallurgy, Govt. Engg. College Raipur, Shri A.K. Verma (MFCL, Chennai), Smt. Premlata Verma (SERLY Nagpur) and Mr. Abhishek Verma for their constant encouragement and many fold help. I pay my sincere gratitude to my senior friends, Dr. K.R. Hari, Prof. S.D. Deshmukh of
Geology Department, Govt. Arts and Science college Durg and to Dr. (Smt) Anita Sawant, Scientist, M.P. Pradalashan Niwaran Mandal, Bhilai for their generous help during collection of meteorological data.

I thankfully acknowledge valuable contributions of Mr. Atul Shrivastava, Mr. Manoj Shrivastava, Asst. Prof. (Commerce), Govt. college, Rampur Naukin Dist. Sidhi, and Miss Hema Shrivastava during statistical analysis of data.

I am also thankful to Mr. Ved Ram Dhruv for making diagrams and figures and to Mr. Girish Ashtikar for his excellent photography.

I also wish to express my deep sense of gratitude to my parents, to my elder sister Prof. (Smt) Priti Shrivastava, Botany Deptt. Govt. Arts and Science College, Durg and to my elder brother Mr. Pradeep Shrivastava whose encouragement and blessings enabled me to complete this work successfully.

Last, but not least, I am highly thankful to Shri C.P. Sinha, Retd. S.D.O., P.W.D., Shri Diwakar Sinha Advocate, Smt. Pooja Sinha and Miss Sarita Sinha of Raj Kumar college, Raipur, without their constant encouragement it was not possible for me to complete the thesis within time.

Place: Raipur
