ACKNOWLEDGMENT

First of all I deem not only as a mere formality but with all humility and full reverence, I take this privilege and feel immense pleasure to record my profound sense of gratitude and indebtedness to my esteemed supervisor Prof. S. K. Srivastava, M. Sc., D. Phil (Alld.), Department of Chemistry, Dr. H. S. Gour University, Sagar (M.P.), whose encouragement, advice and continuous guidance greatly enhanced my interest in this subject. His endless creative ideas and critical insight helped me to learn a lot, both theoretically and practically.

I am thankful to Prof. S.P. Banarjee, Head Department of chemistry, Dr. H. S. Gour University, Sagar (M.P.), for allowing all the necessary facilities to carry out the work.

I would like to place my sincere thank to the Heads, Department of Pharmacy and Microbiology of Dr. H. S. Gour University, Sagar (M.P.), for providing the facilities for various biological activities.

I am indebted to Head, Regional sophisticated Instrumentation centre, CDRI Lucknow and Indian-Institute of Technology, Mumbai for their help in recording the spectra and elemental analysis.

I am highly obliged to Dr. (Mrs.) S. D. Srivastava, Department of chemistry this University for her affectionate encouragement, keen interest constructive discussion and timely suggestions to pures the problems.

I offer my profound respect and express my feeling to my venerable Grand father Shri L. C. Jaish and my beloved mother Dr. Vijay Larmi Jaish to felicitate my work for completion and brother Adarsh Jaish and sister Reena. Mrs. Neena and her husband Mr. Ghanshyam Sahu. uncles Shri S.C. Jaish, Shri V.S. Jaish, Shri D.C. Jaish, mausi ji Mrs. Phulwati Sahu and all family members without whose patience, sacrifice, blessing and cooperation, I would not have been in a position to complete my research programme.

I express my deep fervency to my husband Mr. Anand Sahu, his devotion and demeanour gracious made it possible for me to bring this humble attempt to completion. I am thankful to my brother-in-laws and all family members to provide their cooperation for my Ph. D. work.
Last but not least, I record of heartfelt thanks to my seniors, Dr. I.R. Rawat, Dr. Prasant Bhutt, Dr. S. Lodhi and Mrs. S. Upadhaya to provide valuable suggestions and cooperation during the progress of work.

I wish express my thanks to laboratory colleagues Ku. Niharika Guru, Dr. Mahima Khare, Mrs. S. Srivastava, Mrs. S. L. Srivastava, Verendra Chauksey, Sunil Gutam and Hershita Purwar for encouragement and continued help at every stage.

In last must I express my thankful to AN Computers, Mr. Arun Singhai, Sanjay Shrivastava and Tarun Singhai for excellent printing.

SMT. LEENA SAHU
