ACKNOWLEDGEMENT

It's time to count every sweet success that these years have brought. It's time to write another chapter filled with blessings of elders, co-operation of colleagues and best wishes of younger ones. First and foremost thanks to Lord for this achievement. Dear God, please forgive me for all my trespasses, and thanks to give me courage.

It is a matter of great privilege for me to express my heartiest gratitude to my supervisor Dr. (Mrs.) Archana Pandey, (Reader), Department of Chemistry, Dr. H.S. Gour University, Sagar. She is the person, who defined the path of success for me, who prepared me to face all the obstacles and when I achieved my goal, she is the person to applaud me for my every victory. I wish to express my respect, gratitude and thanks to her for keeping faith in me.

I would like to acknowledge Prof. S.C. Garg, Head, Department of Chemistry, Dr. H.S. Gour University, Sagar, for providing necessary laboratory facilities in the department throughout the tenure of research work.

I would like to extend my special thanks to all teaching staff of the department for their help and support during this research work. I also acknowledge all the non-teaching staff of the department for their co-operation.

The first person who inspired me to find this goal is Prof. S. P. Vyas, Head, Department of Pharmaceutical Sciences, Dr. H.S. Gour University, Sagar. He showed me an altogether different world, one that is only 'good' and 'right', a world that is so real and true.

It would have not been possible to me to carry out the present work without the help, support and constant motivation of Mr. Narendra Kumar who stood by me in each and every thin and thick of the present assignment.

I am grateful to Dr. Ashutosh Mishra for his kind support and constructive ideas during my research period.
I am greatful to Mr. Saurabh Badoniya for his kind support and spectral analysis.

I wish to offer my thanks to Dr. (Smt) Madhvi Choubey Dr. Kamlesh Bilgaiyan, Dr. Meghna Dubey, Ku. Vinita Yadav, Ku. Muktee Namdeo, Ku. Archna Shukla, Ku. Sapna Gupta and Mr. Neemesh Singh for their motivation and encouragement.

I will never forget the helping attitude, valuable suggestions and support of my respected seniors Dr. Swati., Dr. Nalini Shrivastava, Dr. Shruti Upadhyay, and Mr. Hemant Lariya. Special thanks are due to Diwakar sir for his brotherly caring ways.

I am grateful to all my friends specially Shubhra, Sweety, Sadhna Kirti, Neetesh, Prachi, Parul for their caring attitude, timely help and encouraging comments. Thanks to all the research scholars specially Dr. Swapnil Guru, Mr. Ram Kumar Nagarch, Mr. Amit Goyal, Mr. Maneesh Pataskar, Mr. Lekhraj, Mr. Sujeet, Jitendra, Prashant, Ku. Navneeta, Ravinandan, for their co-operation. Special thanks to them for always hearing me patiently.

I am feeling glad in remembering lovely time passed with my intimate Mr. Neelsh Shrivastava. Cherishing the giggles of our good time, relishing the memories of our interesting talks and with a prayer of our friendly togetherness, I wish to express my heartiest thanks to for being a part of my life.

I pay special thanks to Mr. Dineshkumar Vyas (Mama ji) and Mrs. Lata Vays (mamee ji) and their family for their caring attitude and constant support throughout my research work.

I am highly indebted to all of my family members, mausa ji mausiji, Didi-Jijaji, and Sisters especially for their immeasurable support.

I am equally indebted to Mr. S.K.Pandey, Mr. M. L. Yadav and all staff of the department for their contribution in the successful completion of this thesis.

I could not imagine any success in my life without the blessings of my parents Mr. Shrinandan Rawat, Mrs. Triveni Rawat for their
unfailing support. My elder brother Mr. Govind Prasad Rawat must be thanked for his kind gesture towards me.

I can not stop my writing without saying special thanks to a special person Smt. Sunita Dubey my eldest sister. She is my strength and it is so natural that how we are just there for each other when needed, at the good times as well as the bad ones.

Over and above all I am very much grateful to the almighty, who made me capable to complete this work and also hope that he will always remain with me to help me in harnessing the present work.

Lokesh Rawat
