ACKNOWLEDGEMENT

It was the dream of my father “Mr. Shaik. Hazarath” which inspired and accelerated me to make this successful journey a memorable one. At this point of time I am confessing to all my well wishers and also to those whose names are not mentioned in this page, but my real booster and confidence without which the challenge wouldn’t have been felt completed.

I would like to thank the gift of god, who acted as my real stress buster during the stressful times of the whole work, my sons “Kashif and Javed” for his never ending lovable irritations, teasing, patience and co-operation.

I whole heartedly thank my research supervisor “Dr. I.Sarath Chandiran garu”, Professor & Director, Research and Development Cell, Ratnam Institute of Pharmacy, Nellore for his profound help, never ending support, warm encouragement and cool mentality during the hard times which have been encountered during this project.

I would like to express my profound sense of gratitude and heart full thanks to our Principal “Dr. M. Gobinath garu” for his support in every step, keen interest, kind co-operation, boundless enthusiasm, affectionate encouragement, simulative and constructive criticisms, throughout this work. Words fail to express my real feelings of commitment regarding their cool mentality at much harder times.
I am greatly thankful to “Dr. K. B. Chandra Sekhar garu”, Director, Research and Development Cell, JNTUA, Anantapuram for his kind support, valuable suggestions, discussions, and encouragement during my dissertation work which helped immensely.

I am very much sincerely thankful to “Dr. K.Gnana Prakash” Professor and H.O.D, Department of Pharmaceutics, RIP, Nellore, for his kind co-operation and immense support during my thesis submission.

I also thank “Dr. B. Kumar” Professor& HOD, Department of Pharmacy Practice, RIP, Nellore, for his support and suggestions throughout study.

I express my gratitude and thanks to “Dr. V. Hari Bhaskar” HOD, Pharm D, RIP, Nellore who supported and flatter me during my difficulties.

I am also thankful to “Mr. D. Saravan” Associate Professor, Department of Pharmaceutical Chemistry, RIP, Nellore for his kind support, valuable suggestions and discussions in the spectral studies as a part of my dissertation work which helped me immensely.

I express my sincere thanks to madam “S. Niveditha garu ” HOD, Department of Pharmacognosy, RIP, Nellore for her help and kind support during the phytochemical evaluation part of the thesis.

Never the least I like to express my thanks to all the remaining faculty of the concerned departments for their kind support during the process of dissertation.
I express my thanks to “Institutional Animal Ethical Committee” for giving ethical clearance of animal study for my dissertation.

I extend my thanks to all the teaching staff of Gokula Krishna College of Pharmacy, Sullurpeta for their kind co-operation and help extended during my research work.

I would like to wholeheartedly express my deep feelings to my lovely life partner "Mrs Sk. Naushad bi" who has been my constant source of inspiration throughout my dissertation work and supported in all the ups and downs of my work with whom i am blessed to have an opportunity to spend wonderful life ahead.

Today what I am is all due to my most beloved parents who have paved my way to this destiny. They also blessed, encouraged me with moral support. I am very much pleased in expressing my deepest sense of gratitude and regards to them and also to my whole family.

Finally, I express my sincere thanks to all those who were instrumental both directly and indirectly in completing my dissertation work successfully.
