At the outset I would like to record the fact that it would have not been possible for me to complete this thesis, if I would have not received helps, supports and encouragements from my teachers, colleagues, friends, family members and many others.

First and foremost, it is my proudest privilege to extend my heartfelt gratitude to my teacher and supervisor, Dr. D.K. Chakraborty for his mature and able guidance. I feel proud of myself that I got an opportunity to work under him. The present shape of work is only due to his able supervision, deep insight, suggestions, encouragement and moral support. He has always been an inspiring force to me not only to initiate and pursue scientific carrier but to help in building my own personality. I would remain indebted to him for life long. I would also like to express my thanks to his wife Mrs. Maya Chakraborty and other members of his family for giving support and encouragement for completing my thesis work at the earliest.

I express deep my deep sense of gratitude to our Vice Chanceloor Prof. B.P. Chandra for the help and support extended during my thesis work.

I am also greatful to my teachers, Dr. S. Bhusan (Head, S.O.S. in Physics), Dr. A.K. Sapre, Dr. S.K. Pandey, Dr. R.C. Agrawal for support and encouragement extended to me during the tenure of this work. I am greatful to Dr. S.K. Pandey for giving the valuable suggestions, as and when required during the tenure of my work.

I would like to express my special thanks to Prof. R.K. Thakur (Ex-Head, S.O.S. in Physics, Ex-Vice Chancellor, Pt. Ravishankar Shukla University, Raipur), Prof. G.P. Shrivastava (Principal, DCIT, Raipur), Mr. Anil Tiwary (Head, Computer, DCIT, Raipur), Dr. O.P. Vyas (Head, S.O.S. in Computer), Dr. R.N. Baghel (RIT, Raipur), Dr. K.N. Mishra (B'IIT, Durg), Dr. Kavita Thakur (S.O.S. in Electronics), Mr. Manoj Tiwari (S.O.S. in Computer), Ms. Anita Toppo (S.O.S. in Computer) for their direct and indirect help extended to me during the tenure of this work.

Right from the initial stage, I got many opportunities to visit IUCAA, Pune, India for availing the library and computing facilities. I feel that this work would have not been possible without availing the facilities of IUCAA. I would like to express my deep sense of gratitude to
