ACKNOWLEDGEMENT

It is with extreme happiness I seize this opportunity to record my sincere thanks and deep sense of gratitude to my supervisor Dr. N. Muthukumaramasamy, Associate professor and Head, Department of Physics, Coimbatore Institute of Technology, Coimbatore for his able guidance, valuable suggestions, personal interest and constant encouragement provided throughout the course of the research programme.

I am highly indebted and profoundly thankful to Dr. S. R. K. Prasad, correspondent, Dr. V. Selladurai, Principal, and Dr. S. Shanmugam, Administrative officer of Coimbatore Institute of Technology, Coimbatore for granting permission and offering necessary help to pursue my research.

I am very much grateful to doctoral committee members Dr. M. Dhanam, Associate Professor, Department of Physics, Kongunadu Arts and Science College, Coimbatore and Dr. R. Balasundraprabhu, Associate Professor, Department of Physics, PSG College of Technology, Coimbatore for their valuable suggestions and support rendered during the course of my research work.

I am very much thankful to Dr. M. Thambidurai, Dr. T. S. Senthil, and A. Ranjitha, for their help and support rendered during the course of my work. I am happy to thank each and every faculty member and research scholar of the Department of Physics, Coimbatore Institute of Technology, Coimbatore for their excellent cooperation and help rendered during my research work. I am grateful to my parents, husband and children for their support and help provided to carry out my research work.
