activity

Contingency coefficient for the data on Persons from Various Sections * Quality physical education facilitates development of skills for lifelong physical activity

Cross tabulation of Persons from various sections * Physically Active Students Have More Social Commitment and Social Responsibility

Chi-square of Persons from various sections * Physically Active Students Have More Social Commitment and Social Responsibility

Contingency coefficient for the data on Persons from various sections * Physically Active Students Have More Social Commitment and Social Responsibility

Cross tabulation of Persons from various sections * Physically Fit Children are Mentally and Emotionally Strong

Chi square of Persons from various sections * Physically Fit Children are Mentally and Emotionally Strong

Contingency Coefficient for the Data of Persons from Various Sections * Physically Fit Children are Mentally and Emotionally Strong

Cross-tabulation of Persons from various sections * The Physical Education Curriculum is satisfactory at present

Chi square of Persons from various sections * The Physical Education Curriculum is satisfactory at present

Contingency coefficient for the data on of Persons from various sections * The Physical Education Curriculum is satisfactory at present

Cross tabulation of Persons from various sections * 60 minutes per week is sufficient for Physical Education

Chi square of Persons from various sections * 60 minutes per week is sufficient for Physical Education

Contingency coefficient for the data of Persons from various sections * 60 minutes per week is sufficient for Physical Education
Education

25 Cross Tabulation of Persons from Various Sections * Stress Could Be Released Faster While Engaging in Games and Other Physical Activities

26 Chi-square of Persons from Various Sections * the Stress Could Be Released Faster While Engaging In Games and Other Physical Activities

27 Contingency coefficient for the data of Persons from Various Sections * the Stress Could Be Released Faster While Engaging in Games and Other Physical Activities

28 Cross Tabulation of Persons from Various Sections * Students Who Engage in Physical Activities are Highly Cooperative and Generous to Others

29 Chi Square of Persons from Various Sections * Students Who Engage In Physical Activities Are Highly Cooperative and Generous To Others

30 Contingency coefficient for the data of Persons from Various Sections * Students Who Engage in Physical Activities Are Highly Cooperative and Generous to Others

31 Cross Tabulation of Persons from Various Sections * We Have Enough PE Teachers Who Are Qualified and Able

32 Chi Square of Persons from Various Sections * We Have Enough PE Teachers Who Are Qualified and Able

33 Contingency coefficient for the data of Persons from Various Sections * We Have Enough PE Teachers Who Are Qualified and Able

34 Cross Tabulation of Persons from various sections * Physical Education activity Manual can help the teachers to understand and impart knowledge

35 Chi square of Persons from various sections * Physical Education activity Manual can help the teachers to understand and impart knowledge

36 Contingency coefficient of data of Persons from various

xiv
sections * Physical Education activity Manual can help the teachers to understand and impart knowledge

37 Cross tabulation of Persons from various sections * Quality physical education facilitates development of skills for lifelong physical activity

38 Chi-square of Persons from Various Sections * Quality Physical Education Facilitates Development of Skills for Lifelong Physical Activity

39 Contingency co efficient of Persons from Various Sections * Quality Physical Education Facilitates Development of Skills for Lifelong Physical Activity

40 Cross Tabulation of Persons from Various Sections * Neuro Muscular Co-ordination Can be Developed While Engaging in Physical Activities

41 Chi-square of Persons from Various Sections * Neuro Muscular Co-ordination Can be Developed While Engaging in Physical Activities

42 Contingency Coefficient of Persons from Various Sections * Neuro Muscular Co-ordination Can be Developed While Engaging in Physical Activities

43 Cross Tabulation of Persons from Various Sections * Physical Education Activity Can Help Other Subject Teachers to Handle the Activity

44 Chi-square of Persons from Various Sections * Physical Education Activity Can Help Other Subject Teachers to Handle the Activity

45 Contingency Coefficient of Persons from Various Sections * Physical Education Activity Can Help Other Subject Teachers to Handle the Activity

46 Cross Tabulation of Persons from Various Sections * the Activity Manual Bring A New Way of Teaching Sport and PE that Creates Better Human Beings

47 Chi-square of Persons from Various Sections * the Activity Manual Bring A New Way of Teaching Sport and PE that
Creates Better Human Beings

Contingency Coefficient of Persons from Various Sections * the Activity Manual Bring A New Way of Teaching Sport and PE that Creates Better Human Beings

48

Cross tabulation of Persons from Various Sections * the Importance of Physical Activities in the Present Set-Up Is High

49

Chi-square of Persons from Various Sections * the Importance of Physical Activities in the Present Set-Up Is High

50

Contingency Co Efficient of Persons from Various Sections * the Importance of Physical Activities in the Present Set-Up Is High
