PARTICIPATION / PAPER PRESENTATION IN
VARIOUS
CONFERENCES / SYMPOSIUM.

1. Thermodynamics and Stability Constants of Mixed
   Complexes of Bivalent Zinc with Acrylate and
   Crotonate, Electrochemical Investigations, O.P. Rathor and
   S.C. Lavale, Procd. 31st Annual Conv. Chemist,

2. Electrochemical behaviour of Cd(II) complexes
   with Crotonate and Acrylate on Dropping Mercury
   electrode, O.P. Rathor and S.C. Lavale, Indian Council
   of Chemists, 14th Conference, Bombay, 1995, IO-33,
   P. 56.

3. Biodiversity and Health Hazards : Investigation
   on Ecosystem of Distinct region of Betul using
   Instrumental Methods, O.P. Rathor and S.C. Lavale,
   "National Seminar on Herbal Medicines, Biodiversity
   and Conservation Strategies.", Chhindwara, Procd.,
   1994, P. 15.

4. Chemical, Biological and Metallic levels in Water
   Sample : Monitoring from Aquatic Environments,
   O.P. Rathor and S.C. Lavale, 64th Annual Session, Natl.
   Acd. Sci. India, Chandigarh, (Physical section) 1994,
   Abst. 15, P. 5.
