ACKNOWLEDGEMENTS

I sincerely express my deep sense of gratitude and indebtedness to Dr. V. Rai, M.Sc., Ph.D., Reader, Department of Bioscience, Ravishankar University, Raipur, for his keen interest, valuable guidance, encouragement and suggestions throughout this investigation. He has not only inspired and encouraged me to take up this dissertation, but also steered it to a meaningful conclusion.

I feel highly privileged in recording my sincere thanks and indebtedness to Dr. S.S. Ali, M.Sc., Ph.D., F.B.S., Professor and Head, Department of Bioscience, Ravishankar University, Raipur, for his keen interest, helpful discussion and suggestions which encouraged me a lot during my research work.

I am thankful to Dr. C.B.K.S. Prasad, (Lecturer), and Dr. A.K. Pati (Reader), Bioscience Department for their kind help and suggestions. I am also grateful to Dr. M.L. Naik (Reader), Dr. S.K. Mishra (Reader), Dr. A.K. Gupta (Senior Lecturer), Dr. (Mrs) Aditi Poddar (Senior Lecturer), Dr. Naithani (Lecturer), Miss Nibha Gupta (Lecturer) and Miss Vijaya Kapade (Lecturer) for their unreserved cooperation.

A word of thanks also to Dr. M.W.Y. Khan (Reader), Department of Geology, Ravishankar University, Raipur, for providing UV-Spectrophotometric facility.
I wish to express my heartfelt thanks to Dr. S.K. Singh (Reader), Statistics Department and Dr. Joshi, Government Engineering College, Raipur for their help and cooperation during the work.

No words adequately express my gratitude for unreserved, affectionate cooperation and encouragement of my seniors and research colleagues of microbiology laboratory, at various stages of this work.

I would also like to thank other research colleagues in the different laboratories of the department for their cooperation.

I acknowledge gratefully the Council of Scientific and Industrial Research, New Delhi, for the award of Research fellowship for this thesis work.

I would specially like to thank my colleague and dear friend, Miss Sharmila Chaubey for her help and cooperation in various ways throughout the entire thesis work.

I am extremely thankful to my parents and brothers for encouragement, cooperation and moral support throughout this endeavour.

Raipur

(Paromita Ghosh)
