ACKNOWLEDGEMENTS

I am indeed moved to express my deep sense of indebtedness to the most honourable and loving supervisor Prof. V.K. Saxena, D.Phil. (Alld.), D.Sc. (Sagar), FIC, Professor of Organic Chemistry, Dr. Harisingh Gour University, Sagar (M.P.) for his inspiring guidance, valuable advise and constant encouragement throughout the course of my research work. It is impossible for me to give adequate expression to my gratitude to him.

I am immensely thankful to Prof. S.P. Banerjee, Head of the Deptt. Chemistry, for generously providing all the facilities during the course of this work.

My grateful and sincere thanks are due to Dr. R.N. Yadava, Assit.Prof., Dr. Girish Dixit and Dr. Vinod Saini for their fruitful suggestions during the entire work.

My sincere thanks are also due to Director, CDRI, Lucknow and CIL, Sagar, for recording the various spectra.

Specially, I am infact obliged to Mrs. Neelam Saxena for her ready welcome and affectionate encouragement during the course of present investigation.

I have no words to express my gratitude towards my co-workers and friends Shri S.K. Mondal, Miss Manju Mishra, Miss Preeti Shrivastava, Shri M.K. Khare, Miss Yasmeen Syedda,
Miss Vibha Thakur, for their needful advise and kind help even at the cost of invaluable time.

I express my profound venerations to my reverential parents for their benedictions to me, otherwise I would have not been able to show the light of the day to the work. Thanks are also due to my younger brothers & sisters for their unforgettable support.

With the grace of Ma Durga I could finish the work safely.
