Acknowledgements

This thesis embodies the research work that I have done in past few years, which has been the most significant in my life. Successful completion of a thesis to satisfy the requirement of a Ph.D. degree is an endeavour made possible with the inspiration guidance and assistance given by a number of people. It is now my pleasant duty to acknowledge them for their contribution.

I am thoroughly indebted to my Supervisor Dr. (Smt.) Pramila Singh, Sr. Lecturer, Department of Chemistry, Dr. H. S. Gour Vishwavidyalaya, Sagar (M.P.) for allowing me to work under her able supervision, for helping me grasp the significance of the work, for inspirational guidance, encouragement and help rendered at difficult moments. This work could not have been materialized without her visionary approach.

I sincerely admire and thank Prof. V. K. Saxena, Prof. & Head, Department of Chemistry, Dr. H. S. Gour Vishwavidyalaya Sagar (M.P.) for unparalleled support, kindness and mission shared with his magnanimous outlook which culminated in completion of this work. Encouragement & fatherly hand with provision of lab facilities goes without saying.

I express my sincere gratitude to Prof. S.P. Banerjee, Former Head, Prof. R.K. Gautam, Dr. S. N. Limaye, Reader, & all the respected teachers of the Department of Chemistry, Dr. H. S. Gour Vishwavidyalaya, Sagar (M.P.) for the encouragement, help guidance and initial but tremendous ignition for the research work which drove me to the flying finish.

I express profound sense of gratitude and admiration for Prof. Pradeep Mehta and Dr. (Smt.) Archna Mehta, Department of Botany, Dr. H. S. Gour Vishwavidyalaya, Sagar (M.P.) for providing me screening facilities of various biological activities which formed important segment of this work.

I owe a lot to Director, C.D.R.I., Lucknow (U.P.) for elemental, electronic and infrared spectral analysis.
I feel honored to express sincere thanks to Shri. V. N. Pathak, Shri Sushil Bhargava and Shri Manish Dubey, for generosity with respect to access to some inevitable drugs needed for the work.

I genuinely feel privileged to have found help, cooperation and support of Dr. Praveen Tamrakar, Shri Amul Kesharwani, Dr. Sunil Gautam, Dr. Anuradha Singh, Ms. Rani, Shri Vikas Verma, Shri Nitin Jain, Dr. Jitendra Dubey, Shri Ashutosh Mishra, and Shri Alok Pal Jain, Ms. Trapti Bhargava,

I am thankful in more than one ways to Employees and Lab Attendants of Department of Chemistry, Dr. H. S. Gour Vishwavidyalaya, Sagar (M.P.).

The everlasting loving memory and blessings of my grandfather late Pandit Rameshwar Prasad Choubey and grandmother late Smt. Narbada Bai Choubey will keep on shaping the path of my future.

I remain indebted to my bhaiya Er. Prashant Choubey and bhabhi Er. (Smt.) Savita Choubey who despite of their hectic work schedule in National Hydro electric Power Corporation Ltd., Delhi kept an on delivering encouragement guidance, help and blessings throughout. Their affection & love remain my strength.

I feel honored for bonding relationship with Dr. Diwakar Sharma, Smt. Sushila Sharma, Nitin and Neha. They Deserve appreciation and untold regards for constantly motivating me to achieve this feet.

I shall be failing in my duties if I do not express sincere thanks to Smt. Sandhaya Bhargava, Shri Manoj Choubey, Shri Deepak Choubey, Nidhi Choubey, Shivani Choubey, Rahul, Richa and Shri Guddu Tiwari for motivation and help.

I am privileged to have been in a joint family. All members of Choubey family remain a source of love, care and affection.

At last but not the least I am sincerely obliged to Shri Ajay Jain of M/s Active Computers & M/s Aman Prakashan sagar for unconditional access to their computer infrastructure. I am equally thankful to Shri Mangesh Jain and Shri Prem for carrying out laborious typing work.

(Praveen Kumar Choubey)
