ACKNOWLEDGEMENTS

“Praise the LORD, because he is good; sing praises to him, because it is pleasant.” Psalm 135:3.

First of all, I wish to extend my heartfelt gratitude to my guide Dr. P. K. Kaleena, Associate Professor, Department of Zoology, Presidency College, Chennai - 600 005, for introducing me to this topic, for providing excellent, both scientific and personal advice and also for her unfailing confidence in me. She always supported me, always had time for questions and discussions. I thank Madam for her continuous guidance, patience, valuable input throughout my study and for always being there as an elder sister.

I owe a debt of gratitude to my co-guide Dr. K. Valivittan, Professor and Head, Department of Biotechnology, St. Peters University, Avadi, Chennai – 600 054, for his support, attention, guidance and directions. Thanks for his valuable comments which helped shape this work.

I wish to express my gratitude to The Management and Registrar, St. Peter’s University, Chennai – 600 054, for their guidance and encouragement during the course of my research programme.

I express my sincere gratitude to Dr. Mujeera Fathima, Associate Professor, Department of Botany, Government Arts College, Nandanam, Chennai - 600 037, for providing plant material for the study, identification and authentication of plant materials.
I wish to record my sincere thanks to The Director, National Institute of Epidemiology, Chennai – 600 077, for granting permission to use the laboratory facilities.

I am grateful to Dr. Joseph K. David, Scientist and Head, Laboratory division, National Institute of Epidemiology, Chennai – 600 077, India for providing the laboratory facilities and for his constant support, encouragement and inspiration throughout my work.

Words are not enough to express my gratitude to Dr. C. P. Girish Kumar, Scientist, Laboratory division, National Institute of Epidemiology, Chennai – 600 077, India for his constant encouragement, valuable advice, and unconditional support rendered at all time of my research programme.

I sincerely acknowledge Dr. R. Murugesan, Scientific Officer and his team, Sophisticated Analytical Instrumentation Facility (SAIF), IIT, Chennai – 600 036, India, for doing GC/MS analysis.

I deeply express my sincere thanks to my friend and Lab technician Mrs. Annamma Jose, Laboratory division, National Institute of Epidemiology, Chennai – 600 077, India for her constant encouragement and invaluable moral support rendered at all time of my research programme.

I am extremely thankful to Mrs. Florida Tilton, Biozone Research Technologies, Chennai – 600 018, for her suggestions, constant encouragement and valuable help throughout my study.

I am grateful to Mr. Shell John, Senior Executive, Statistics, MRF Ltd., for his kindness to do statistics.
I wish to express my gratitude to Dr. Jayasree R, Associate Professor, Department of Biotechnology, Rajalakshmi Engineering College, Chennai – 602 105, for her moral support and constant encouragement.

I deeply appreciate the warm welcome and the encouragement I have received from Mr. A. Gnanamurthy, Mr. M. Thiyagarajan, Mr. T. Karunakaran and Mrs. B. Lakshmi Kumari, Laboratory division, National Institute of Epidemiology, Chennai – 600 077.

I wish to express my deepest gratitude to my friend D. Elumalai for helping me out in the preparation of thesis and for his generous and timely help.

I wish to express my thanks to my friends Muthukrishnan, Kezia, Annu, Lakshmipriya, Badrinath and my cousin Merin for their help and support in all possible ways during my research programme.

I express my gratitude to the Faculty and Staffs, Department of Biotechnology, St. Peters University, Avadi, Chennai – 600 054, for their support and encouragement.

I wish to express my sincere thanks to my friends Dr. Ashwini Hinge, Mrs. Renuka Choudhari, Mrs. Vaishnavi Arun Prasath and Dr. Sheeja John for their encouragement and moral support throughout the course of my study.

I am thankful to Mr. Prem Kumar, R & D Staff, St. Peters University, Avadi, Chennai – 600 054, for his timely help and encouragement throughout my study.
Special thanks are due to **Mr. Guna Sekaran**, Lakshmi Xerox, Kolathur, Chennai – 600 099, for editorial service and thesis structure.

I could not have done this work without the support of my family both intellectually and emotionally. I thank my parents **C. P. Philip** and **Thankamma Philip** for their love, blessings, astute care, support and encouragement to reach my dreams.

Special thanks to my children **Johan, Jerin** and **Jithin** for their patience, understanding and love.

Special thanks to my beloved husband **Mr. Abraham George**, for his affection, endless encouragement, constant support, care and for always being there.

I take this opportunity to remember my brother **Dino**, who was always encouraging and supporting me throughout my studies in all possible ways and is still in my thoughts even after He left us.

Above all I thank my **Almighty Lord** for his abundant blessings and mercy on me with good health, knowledge and wisdom without which nothing would have been possible for me.

*(Deepa C. Philip)*
