ACKNOWLEDGEMENT

It is a pleasure to record a deep sense of gratitude to my teacher Dr. S.V. Dharmadhikari, M.Sc., Ph.D., former head of the department of Chemistry, Govt. College of Science, Raipur (M.P.) and Principal, Govt. College, Tilda Neora, Dist. Raipur (M.P.) for his perennial affection, keen interest and guidance. I express my sincere gratitude to Dr. R.B. Subramanian, Department of Chemistry, Govt. College of Science, Raipur for the generous help and constructive criticism given by him at every stage of the present work. I am thankful to Dr. K. K. Mishra, Reader in Chemistry, R.D. University, Jabalpur for giving helpful suggestions from time to time.

Thanks are also due to Dr. P. R. Khandekar and Dr. J. N. Das, the past and present Principals for the encouragement and providing research facilities. I must acknowledge Dr. (Mrs.) U. Tandon, present head, and other colleagues of the Chemistry department for their help. The generosity of Dr. R.K. Mishra, Reader in Chemistry, Ravishankar University, Raipur cannot go unnoticed to allow me to carry out some of the experiments in his laboratory.

I shall be failing in my duties if I do not express my sincere gratitude to my wife without whose cooperation and inspiration, the present research work could have taken shape.

(K. N. Bapat)
