ACKNOWLEDGEMENT

Writing of this page is the most thrilling adventure for me. Because thesis would not have completed without assistance of several people who are precious for me.

I consider it to be my silver fortune for getting Prof. Vibhuti Rai, Head, School of life Sciences Pt. R.S.U. as my supervisor for my thesis work. During my entire Ph.D. thesis work, I have not only found him as a patient teacher, avid listener, silent advisor, but his parental affection towards me always kept me in a homely cocoon. Prof. Vibhuti Rai unfolded every meaning and dimension of the word “Guide” in front of me during the course of this uphill task. My vocabulary will always remain limited to acknowledge him for same.

I am grateful to Prof. M.J. Naik, Ex-head, School of life Sciences Pt. R.S.U. for his keen interest, suggestions and providing me all the laboratory facilities for my research work in the initial phase. My sincere acknowledgement to all my other teachers, Prof. S.K. Mishra, Prof. A.K. Pati, Dr. Aditi Poddar, Dr. Vijaya Koche, Dr. R.K. Pradhan, Dr. S.K. Jadhav, Dr. K.K. Sahu, Dr. A. Paraghania, Dr. Amia Tirki.

I am deeply obliged to Dr. A.K. Gupta for their keen interest, time-to-time encouragement and optimistic attitude throughout the tenure of my work.

I wish to give my special thanks to Dr. S.C. Naithani for their help in difficult phase of my research work.

I am also indebted to Dr. P.C. Jain, Dr. S.C. Agrawal, Dr. R.Y. Shukla & Dr. Ashok Shukla for their help in identification of fungal organism. My sincere thank also to Dr. T. Prameela Devi & Dr. Nesta Mathur, Division of plant pathology, Indian Agriculture Research Institute New Delhi for the same.

I also take pleasure to convey my thanks and sense of appreciation to my seniors and colleague who were always with me during study period, they are Dr. Sanju Sinha, Dr. Arvind Agrawal, Dr. Boby Vargese, Dr. Afaque Quarashee, Dr. Pratima Gupta. My also thanks to all the research scholars and staff of School of life Sciences.

I am very much thankful to Dr. Vandana Dixit who in all respect like an elder sister encourage and help me in each and every step of my study.

I cannot express in golden words, the affection and support which I received from Shri K.S. Gupta, Shri Praveen Gupta, Shri Pratibha Gupta and Smt. Laxmi Rai, throughout my research work.

There are of course many nameless persons who have wittingly and unwittingly help me for the completion of the thesis my thanks to all of them.

Overwhelmed with emotions, I feel myself at the total loss of words, when I remember the affection and encouragement of my parents, elders and lovable kiths and kins.

I remember gracious god all the while.
