ACKNOWLEDGEMENT

While writing this column, it is my privilege to remember and thank all those persons who have directly or in direct way helped me some or the other way to complete this work.

I run out of words to describe my sincere and heartfelt respect & gratitude to my respected teacher and supervisor Dr. S.K. Mishra, Reader, School of Life Sciences, Pt. Ravishankar Shukla University, Raipur. His guidance and onlook paved the way for the successful completion of my work. I am highly touched by his sincerity to work and moral values that he has inscribed in me. I am deeply grateful to him for his outstanding motivation and help all along this period.

I am very much thankful to Dr. M.L. Naik, Prof. & Head, School of Life Sciences, for providing the laboratory facilities and his inspiration during the entire tenure of my Ph.D. work.

I owe a deep sense of gratitude to my respected teacher Prof. S.S. Ali, F.B.S., ex-head, School of Life Sciences, who not only sowed in me the concept and interest in research, but also took pains to guide me and has been a key source of inspiration all through the period of my work. I shall be unloyal if I don't use this opportunity to appreciate his precious values and ideals which were a moral booster for me during the tenure.

I extend a deep sense of gratitude to Dr. (Mrs.) Vijaya Kocher.
Lecturer, School of Life Sciences, for her encouragement, help and moral support throughout my research period. I am bound to acknowledge that she took all the pains to teach me the basic techniques & strategies in Tissue Culture.

I am specially grateful to Dr. A.K. Pati, Reader, School of Life Sciences, for helping me in the statistical analysis of data. I wish my best regards and special thanks to all the other faculty members of this department – Dr. V. Rai, Dr. S.C. Naithani, Dr. A.K. Gupta, Dr. (Mrs.) A. Poddar, Dr. G.B.K.S. Prasad & Dr. V. Gupta, for their suggestions and help.

I am deeply thankful to all the research scholars of this department, specially Mr. Ramesh Rahangdale & Mr. Bobby Varghese, and my lab-mates-Ms. Deepti Dubey & Ms. Pratibha Shriwastava, for their unreserved help and co-operation during my research period.

I wish to express my thanks to the supporting staff of the School of Life Sciences, for their help in multiple regards.

I am also thankful to composer of the thesis, Mr. Mohd. Shehnaz, Worldwide Graphics, Kota, Raipur (M.P).

The financial support and Junior/Senior Research Fellowships received from 'Ministry of Non-Conventional Energy Sources, New Delhi', through a research project 'Biomass Research Centre', is gratefully acknowledged.
Finally, I extend my cordial sentiments to my parents and brothers for their inspiration, encouragement, moral boost and love; throughout the period of my research work.
