ACKNOWLEDGMENT

It is my privilege to remember and thank all those persons who have directly or indirectly helped me in some or other way to complete this work.

I find no words to describe my sincere and heartfelt respect and gratitude to my respected teacher and supervisor Dr. S.K. Mishra, Reader, School of Life-Sciences, Pt. Ravishankar Shukla University, Raipur. His guidance and onlook paved the way for the successful completion of my work. I am deeply grateful to him for his outstanding motivation and help throughout my research period.

I owe my sincere and heartfelt respect to my co-supervisor Dr. M.K. Verma, Assistant Chemical Examiner, Regional Forensic Science Laboratory, Raipur (MP) for his guidance and continuous help from the very beginning till the completion of my research work. I am highly grateful to him for his outstanding motivation and continuous help all along this research period.

I am very much thankful to Dr. M.L. Naik, Prof. & Head, School of Life-Sciences, for his continuous inspiration and for providing laboratory facilities to me in completing my thesis.

I am thankful to Dr. A.K. Guru, Director, State Forensic Science Laboratory, Sagar for providing laboratory facilities at Regional Forensic Science Laboratory, Raipur (MP).

I extend a deep sense of gratitude to Dr. Sanjay Katiyar, Associate. Prof. and Mr. Girish Chandel, Assist. Prof., Indira Gandhi Krishi Vishwavidyalaya, Raipur for providing laboratory facilities and their inspiration and encouragement during the entire tenure of my Ph.D. work. I sincerely acknowledge that they took all pains to teach me the basic techniques and strategies in DNA isolation.

I am grateful to Dr. Sangeeta Srivastava, Scientist, Division of Crop improvement, Indian Institute of Sugarcane Research, Lucknow, for providing
me laboratory facilities and for her encouragement and help in my cytological work.

I extend my best regards and special thanks to all other faculty members of my Department viz, Dr. V. Rai, Dr. A.K. Pati, Dr. S.C. Naithani, Dr. A.K. Gupta, Dr. (Mrs) A. Poddar and Dr. (Mrs.) Vijaya Koche for their suggestions and help.

I am grateful to Dr. M.L. Verma, Retd. Prof. & Head, Dept. of Mechanical Engineering, Engineering College, Raipur, for providing cryocan for liquid $N_2$, and to Dr. R.C. Verma, Reader, Vikram University, Ujjain for providing some cytological references.

I am thankful to Dr. (Mrs.) Shesha Saxena, Senior Scientist, Regional Forensic Science Laboratory, Raipur (MP) for her suggestions and help.

I can not forget the research scholars of my department, specially Ms. Deepti Dubey, Mr. Keshav Kant Sahu, Mr. Bobby Varghese and my seniors Dr. Afaque Quraishi and Dr. Arvind Agarwal for their unreserved help and co-operation during my research period. I owe my thanks to all of them.

I wish to express my thanks to all the supporting staff of the School of Life-Sciences, for their help in multiple ways.

My thanks goes to the photographer Mr. G.L. Patel, Sub-Inspector and other staff of the Regional Forensic Science Laboratory, Raipur (MP) for their help extended to me in their own ways.

I am also thankful to Mr. Pankaj Soni of Suvidha Graphics for computer work.

The financial support received from Pt. Ravishankar Shukla University, Raipur, is greatly acknowledged.

I take this opportunity to acknowledge my gratefulness to my mousa ji and mousi ji with whom I stayed during my research work at Lucknow.

Finally, I extend my cordial sentiments to my father (Dr. S.L. Srivastava, Prof. & Head, Dept. of Sociology, Pt. Ravishankar Shukla University, Raipur), mother (Smt. Nagina Srivastava), elder sister (Dr. Priyamvada Srivastava, Lecturer, Dept. of Psychology, Pt. Ravishankar Shukla University, Raipur), brother-in-law (Shiv Srivastava, Engineer), brother (Sanjay Srivastava, Chartered Accountant) and younger sister (Manisha Srivastava, Chartered Accountant and Company
Secretary) for their continuous encouragement, moral boost and love, throughout, the period of my research work.

Pratibha Srivastava
(PRATIBHA SRIVASTAVA)
