ACKNOWLEDGEMENT

I would like to place on record my deep gratitude to my research supervisor, Dr. A.S. Zadgaonkar, for providing his invaluable guidance and ample of his time throughout the period of this research work. His patience, tolerance and understanding cannot be quantified in words. His enormous zeal and capacity to work, not only in curricular but also in numerous co-curricular activities together, is an inspiration for the candidates working under him. My thanks are due to Mrs. Anjali Zadgaonkar for her affectionate cooperation.

I am thankful to Mr. A.S. Thoke for his constant interest in my work and for his thought provoking suggestions. I am also thankful to Mr. A.K. Shrivastava (Head of Electronics Department) for guiding me while I was making myself acquainted with the Matlab software. My thanks are due to my teachers, Dr. D.N. Khandelwal, Mr. L.R. Agrawal, Mrs. K.S. Jadhav, Dr. S.L. Paranjape and Dr. S.S. Joshi who constantly encouraged and helped me from time to time during research period.

I thank the Director, Institute of Engineering & Technology, Lucknow for permitting me to carry out the research work at Government Engineering College, Raipur. I also thank the Principal, Government Engineering College, Raipur for allowing me to register at this college and letting me avail all the facilities. I am thankful to Mr. S.C. Tiwari, Head of Electrical Engineering Department, for permitting me to work freely in the departmental laboratory.

I am grateful to my M.Tech. Supervisor, Dr. Sachchidanand, Professor, Indian Institute of Technology, Kanpur, for permitting me to seek his help from time to time and for encouraging me to persuade the work.
With the profound sense of humble gratefulness I wish to thank my in-laws for providing me all kind of support to carry out this work. My father, Dr. Raghunath Prasad Pandey; mother, Mrs. Kanti Devi and my Husband, Mr. Anil Kumar Dwivedi, had been constant source of inspiration and moral support to me. My special thanks are due to my brother Dr. Sanjay Pandey and his wife Dr. Nidhi Pandey for their extraordinary loving care, cooperation and sense of understanding. I appreciate the affectionate cooperation from my nephews Devashish and Saptarshi. Last, but not the least, I express my indebtedness to my son, Abhinav, who did cooperate with me very patiently by bearing all sorts of inconveniences caused to him due to my remaining away from him. He allowed curtailing his righteous time and attention of mine during the course of this research work. I am also thankful to all who, either directly or indirectly, helped me during this research work.
