"Verily with Allah is full acknowledge
He is acquainted"

Allah, the almighty is acknowledged most for the courage, zest, dedication, determination and infuse me the strength and concentration to embark on and accomplish this research work. I take this opportunity to express my reverence and gratitude to my guide, Dr. (Mrs.) Sanjula Baboota, Senior Lecturer, Department of Pharmaceutics, for her enthusiastic guidance and help during the course of my work. Her non-interfering, smart, and mature attitude helped me to learn things in my own ways. Her professional acumen, plausible and erudite thinking and perfect counseling helped me greatly in achieving my goal.

I convey my thanks to my co-supervisor, Dr. (Mrs.) Alka Ahuja, Reader, Department of Pharmaceutics, Jamia Hamdard, without whose help and co-operation this endeavor of mine would not have been possible. I would like to acknowledge the very fact that translation of my ideas into actions became possible due to her able and prudent guidance.

I deeply acknowledge the untiring help and timely guidance rendered to me time and again by my co-supervisor Dr. Javed Ali, Senior Lecture, Department of Pharmaceutics, Jamia Hamdard. His meticulous ways, continuous involvement and impeccable style of working made this immense task to come to conclusion.

I am thankful to Prof. Mushir M. Ali, Head, Department of Pharmaceutics, Faculty of Pharmacy, Jamia Hamdard, for his kind co-operation and moral support throughout the study.

I am thankful to Prof. Suroor A. Khan, Dean, Faculty of Pharmacy, Jamia Hamdard, for extending the necessary facilities to carry out this research work. His kind co-operation and moral support is highly acknowledged.

I deeply acknowledge and respect the support given by Dr. Sheikh Shafiqun-Nabi for his inspiration, support, encouragement and guidance throughout the course of this project.
Devoting his valuable time for helping me in tailoring the work, will always be remembered with respect and gratitude.

I take this opportunity to thank gratuitously Prof. R.K. Khar, Prof. S. P. Agarwal, Prof. Asgar Ali, Dr. (Mrs.) Kanchan Kohli, Dr. Farhan Jalees Ahmed, Dr. (Mrs.) Sushma Talegaonkar, Dr. (Mrs.) Yasmin Suliana, Dr. Mohd. Aquil, Dr. (Mrs.) Zeenat Iqbal, Mrs. Jasveet Kaur and Mrs. Saima Ameen for their kind co-operation and moral support.

This work would have failed to take its shape had it not been for the support, affection and care shown by Aftab, Obaid, Gaurav, Sohail, Adnan, Tatriq, Gyas, Muzaffar, Tanvir, Mashooq, Muzahid, Mazid, Afroz, Khalid, Shadab, Imtiyaz, Naushad, Najam, Javed, Azhar, Zia, Neelu, Tripta, Kalam, Saif and Rahul. Their healthy discussions, unconditional help, cooperation and moral support, for creating a terrestrial and heavenly atmosphere to get terminus and help in heaving up with me has made me to accomplish this Herculean task. Heartfelt thanks are due to all of them. I offer my special thanks to my friends and colleagues Faisal and Rizwan for their encouragement, help and making my days in Hamdard memorable.

I am sincerely thankful to Mr. Mushtaq, Lab. Assistant, Department of Pharmacology, Mr. Mushtaq and Mr. Abid, CIF, Faculty of Pharmacy for their unselfish and unconditional support and devoting their great deal of valuable time even after their official timings to help me in my experimental work whenever required.

I would like to thank the non-teaching staff of Department of Pharmaceutics especially Mr. Faisal, Mr. Nadeem, Mr. Bager and all others for their timely help and assistance whenever required.

I am grateful to Director, Product Development and Research, Ranbaxy Research Laboratories for the generous gift sample of Celecoxib and Aceclofenac, Nikko Chemicals, Tokyo, Japan, for kind gift sample of Propylene glycol mono caprylic ester (Sefsol<sup>®</sup> 218), Gattefosse, Saint Priest, Cedex France, for the gift samples of Labrafac<sup>®</sup>, Labrasol<sup>®</sup>, Pluronic<sup>®</sup> oleique®.

I can not fail to mention the love, care and whole hearted support of my parents all through. It is their blessings and sacrifices that have placed me in the position where I
find myself today. My extraordinary thanks to Shaghir, Kaleem, Yaseen, Faheem, Shama, Shabana, Nagma, and all who matters in my life, for keeping my spirits high.
