ACKNOWLEDGEMENT

I am very grateful to all those people who were directly or indirectly a part of my study and helped and supported me in my project.

I sincerely thank my mentor and PhD guide Dr R D Jani for his continuous guidance and help from the very beginning of my study. He has guided and helped me for the difficulties I have encountered and spent hours helping me starting from the selection of the topic till the very completion of this thesis work.

I am also very thankful to Dr Nalini Anand, Professor, Department of Obstetrics and Gynecology, Guru Gobind Singh Government Hospital for her continuous effort for the success of this work. Because of her help I had great access to my research subjects very easily.

I humbly thank Ethics Committee, M P Shah Medical College, Jamnagar for their guidance during ethical clearance. With their continuous suggestions especially Dr H R Trivedi, I could easily prepare the project plan for ethical clearance.

I am very grateful to Dr Vikas Sinha, Dean, M P Shah Government Medical College, Jamnagar and Dr Nandini Desai, Superintendent, Guru Gobind Singh Government Hospital, Jamnagar for giving me this great opportunity to conduct this study in the premises of Guru Gobind Singh Government Hospital, Jamnagar.

I would also like to thank Dr Kamal Dodia, Dean, Medical Faculty, Saurashtra University who has been a source of my encouragement throughout this study. He has always helped me whenever there were obstacles in the PhD study.

I would like to thank my best friend and great colleague Jayesh Parmar. He has always motivated me to start, continue and accomplish this study. I must say that
it is his effort due to which I could plan and initiate and sustain my study till the end. His enthusiasm to do PhD has always amazed and impressed me.

I must not forget the grate contribution by my students Madhavi Mehta, Bhumika Mojidra, Hiral Pandya, Ankita Rabadiya, Harsha Ramrakhiyani, Disha Bhatt, Monika Dube, Anuj Gulwani, Lalit Jadav, Namrata Ladhava, Heena Mahedu, Bhoomika Lunagariya, Chrisy Christian, Kinjal Shiyani, Sweta Parmar, and Sweta Patel, for their help during data collection process.

I am very thankful to all the women who have participated in this study as subjects.

I am thankful to my family members – my father Dr M B Sorani, mother Bhanuben, my brother and his wife Dr Ashvin Sorani and Dr Hetal Sorani with their little cute son Mohit, and Sister Dr Pragna Sorani and my fiancée Dr Sheshna Rathod for their love and support.
