ACKNOWLEDGEMENTS

During the preparation of this thesis I have received help and encouragement from several quarters and it is my pleasant duty to express my gratitude to all concerned. First and foremost I express my deep sense of gratitude to my teacher and research supervisor Dr. D.S. Shrivastava, Reader in the Department of General and Applied Geography, Dr. Harisingh Gour Vishwavidyalaya, Sagar. But for his constant encouragement and keen interest, this work could not have taken the present shape. I am beholden to him for his generous support and direction which I have received in ample measure. I will ever remember him with gratitude.

It is indeed a matter of great pleasure for me to express my most sincere feeling of indebtedness and gratitude to my teacher Dr. R.S. Dube, Professor and Head of the Department of General and Applied Geography of the University for his keen interest in the progress of my work and for providing all the facilities of research in the Department.

I place on record my hearty thanks to Dr. Shrikamal Sharma, Dr. S.K. Shukla, Dr. J.L. Jain, Dr. Kailash Choubey, and Dr. P.D. Tiwari, Readers in the Department for encouragement and keen interest. I am particularly grateful to Dr. Kailash Choubey who has evinced considerable interest and helped me at various stages of this work.

I sincerely thank Dr. R.P. Mishra, Senior Lecturer in the Department for encouragement and cooperation. Dr. P. Soni, Dr. C.K. Jain and Dr. R.K. Shrivastri of the Technical Staff of the Department have willingly helped me at various stages of the progress of the work. Sincere thanks are also due to fellow
research scholars of the Department. I am also thankful to the members of office staff Mr. A.R. Khan and Mr. R.R. Vishwakarma for help at various stages of the work.

I place on record my sincere gratitude to my parents who have always inspired me and provided all the facilities for my work. Patient and affectionate, they have always been a source of inspiration to me. I am also thankful to the other members of the family who have extended full co-operation and help in my work.

I had visited several places to consult libraries and administrative offices and thankfully acknowledge the help received at Jawahar Lal Nehru Library of the University at Sagar and Pollution Control Board Library, Bhopal; Pollution Control Boards, Regional Transport Offices, Municipal Corporation Offices and District Industry Centres at Indore, Bhopal, Jabalpur, Sagar and Katni. Thanks are also due to the Chairman of Pollution Control Board, Bhopal, Dr. Gunwant Joshi, and to Scientists at the Board Dr. Khanna and Dr. Saxena, City Engineer, Mr. V.K. Mishra at the Municipal Office, Bhopal, Dr. Reeta Kori, Scientist at the Pollution Control Board, Jabalpur and other administrators at various offices in different cities for help during the course of field surveys.
