Acknowledgement

No work can be accomplished without accurate guidance. Hence, I, first and foremost, express my sincerest gratitude to my teacher Dr. R. B. Zala, Associate Professor, Dept. of English & CLS, Saurashtra University, Rajkot, and my Guide, whose cooperation and encouragements have been inspiring me since the first day of my postgraduate studies. My genuine thanks to his stern yet candid guidance, his patience, parental care and confidence that he had in me as a guide which made this work possible. It is all my good fortune to be his student.

I am truly thankful to my teacher Dr. Kamal Mehta, Professor and Head, Dept. of English & CLS, Saurashtra University, Rajkot, for looking into my work and helping me to see through it. I am obliged to his timely guidance even at the time of his hectic work hours and his permission to access and study some rare books available in the Departmental SAP library during my research work. I extend my sense of gratitude to Dr. J K Dodiya, Professor, Dept. of English & CLS, and Dean, Arts Faculty, Saurashtra University, Rajkot for his constant encouragements to complete the work. I am indebted to Dr. S Mukherjee to give his profound inputs on Romanticism and my research works, providing me necessary books and ethical support academically and personally. I am thankful to Ms. Dhwani Vachhrajani, Assistance Professor,
I acknowledge my humble gratitude to Prof. Y V Rathod, Head, English Department, Dharmendrasinhji Arts College, Rajkot for his parental care and inputs during the tenure along with Prof. B M Kakkad, English Department, Dharmendrasinhji Arts College, Rajkot. I extend my humble gratitude to Dr. Anup Nair, Assistant Professor, Bishop Moore College, Kerala, Dr. Nawalkishor Sharma, Assistant Professor, Dept. of English, KSKV Kachchh University, Bhuj, Dr. Maulik Vyas, Assistant Professor, Govt. Engineering College, Bhuj and Dr. Karansinh Rathod, Head, Department of English along with Mr. Purshotam Gurnani, Assistant Professor, DKV Arts and Commerce College, Jamnagar for their lively support in availing me necessary books and ideas.

I also show appreciation to my friends and fellow researchers Ms. Komal Raichura, Assistant Professor, AVPTI, Rajkot, Ms. Jagruti Bheda, Assistant Professor, Govt. Engineering College, Morbi and Ms. Dhwani Vaishnav, Assistant Professor, Govt. Engineering College, Bhavnagar for their valuable inputs and genuine supports. I am also thankful to my well-wishers and
friends: Dr. Hardeepsinh Gohil, Assistant Professor, Gujarat College, Ahmedabad, Mr. Viral Shukla, Assistant Professor, Christ College, Rajkot, Mr. Darpan Shukla, Assistant Professor, Atmiya Engineering College, Rajkot, Mr. Shyam Shukla, Vidhyasahayak, Govt. Primary School, Junagadh, Mr. Imran Khan, Assistant Professor, Om Engineering College, Junagadh, Ms. Vinayba Jadeja, Ms. Swatiba Jadeja, Ms. Purna Doshi, Mr. Achyut Tilavat, and all Departmental alumni and students for their prayers and support that boosted my moral. I would call it sheer blessings of Maa Saraswati to have such an enlightening milieu that nurtured my academic self. I also thank all those whose names may have been escaped.

Last but not the least, I pay my humble and innermost reverence to my Maa, Mrs. Shardaben Chavda, for her constant boosting to do hard work, my father, Mr. Laxmanbhai Chavda, and my elder brother, Mr. Amitbhai Chavda, who did not allow any burden on me during the tenure be it financial, social or any other. I extend my humble and innermost reverence to my caring sister-in-law, Mrs. Beenaben Chavda, and the most loving my two nieces: Pranjal and Aayushi who have been ever inspiring me in completing my work. This work comes to existence because of their continuous blessings and support.
