ACKNOWLEDGEMENT

To begin with I bow my head to the ALMIGHTY GOD for blessing me the gift of life and providing me the foot rests to become a human being without which no endeavour of mine would ever be a success.

“A Good Teacher is like a Candle- It consumes itself to light the way to others”

The journey through this thought provocative, educative, informative enterprising novel work has enriched me with immense knowledge and experience. As this work is reaching its culmination I look back at the entire work and find it to be well supported and blessed by many. It is not merely a formality to write an acknowledgement but it is my sacred duty to pay my debt of gratitude from the depth of my heart to my teachers who encouraged, inspired and guided me at every step of my work, without which my task would have not been accomplished.

Amongst all, the most noticeable was the support of my guide Dr.(Professor) B K Gupta, DTCD, Ph.D Department of Biochemistry, a fountain head of knowledge whose guidance had been invaluable. His pearls of wisdom coupled with valuable criticism have contributed largely in many ways for completion of this work. His emphasis on punctuality, perseverance and being systematic has helped me in improving myself constantly. I stand indebted to him for his motivation, support, encouragement and affection that he has bestowed upon me.

Language with all deliberation seems have limitation when with supreme sincerity, deep sense of gratitude to my esteemed teacher and head of the department Dr.(Professor) Gautam Sarkar, MD. He is an excellence personified with heights of ideas and depth of knowledge which has been truly inspirational to me in accomplishing this work.

Words are inadequate when I owe my deep sense of gratitude and heartfelt thanks to my esteemed co-guide Dr. Naresh Kumar, MD, (Associate Professor) Respiratory Medicine for his invaluable guidance undeterred patience and tireless pursuit for knowledge during my work.
I sincerely extend my gratitude and heartfelt thanks to my revered co-guide Dr. Haren Barua M.B.B.S; M.D. Department of Biochemistry, who spared his valuable time and efforts in accomplishing this work.

I express my most sincere thanks and gratitude to Dr. Debpriya Bandhopadhyay, M.D. for his continuous support and guidance in imparting quality substance and fineness to the study.

I also wish to express my sincere thanks to Dr. Rani Bansal M.D.(HOD)& Dr. Anjali Khare M.D.(Associate Professor) department of Pathology for their guidance and support.

I am very grateful to all technicians and all non-teaching staff (Biochemistry and Pathology) for their assistance and co-operation during the course of my work.

My due thanks to Dr. Deepak Grover, Dr. Bindu, Dr. Shailja, and Dr. Jaskiran for their co-operation.

I wish to my sincere thanks to Professor Dr. AK Asthana, Principal & Head of Deptt. of Anatomy Subharti Medical College.

I am also thankful to my brother and sister for their constant support and good wishes.

I would like to give my heartfelt thanks to my beloved husband Dr. Pradeep Shukla for his tremendous support, encouragement, appreciation and affection, who kept me cherished and gave me courage to move on during all ups and downs of my life.

I would also like to thank my beloved son and daughter Rishabh & Vaishnavi for their immense support, love and understanding which made it a memorable experience.

Last but not the least I would like to dedicate my work to my parents and my mother in-law.

I would like to thank Almighty God once again, without His grace this day would not have been possible in my life.
