ACKNOWLEDGMENTS

"Sometimes it is immensely difficult to put plethora into mere words. The same perplexity haunts my mind in penning down sincere thanks to all those to whom this present work owes its existence.

I realize that this work would not have reached its conclusion without contributions from my people including my mentor, family, elders, youngers and many comparative strangers who helped me during my hour of work because of their shear goodness of heart. Although I can never repay any one of them for their help and guidance that I have received.

First of all, I sincerely acknowledge my gratitude to Almighty for His compassion and bountiful of blessings, which made me see this wonderful moment.

I am proud to work under the sterling tutelage of an academician Prof. Suroor A. Khan my Guide, Pharmaceutical Chemistry, Jamia Hamdard, New Delhi.. His personal advice, professional acumen, encouragement and dynamic approach have taught me the values of adapting myself to the different situations. His innovative ideas helped me surmount all obstacles that came in the way. In addition to his confident attitude and dedicated involvement at all phases of the research, his clarity of thought combined with his research experience created a unique learning environment in which working and learning has been a privilege and a joy.

I am grateful to all the faculty and staff members especially Prof. Nadeem Siddiqui (HOD, Dept. of Pharmaceutical Chemistry), Dr. Amir, Dr. Bahar Ahmed, Dr. Anees A. Siddiqui, Dr. S. Bawa, Dr. Geeta Chawla, Dr. M. Shaharyar, Dr. Asif, Dr. M. Akhtar, Dr. M. M. Alam and Dr. Ozair Alam for their good wishes during the course of studies.
My sincere thanks to Mr. Masood Ali and his technical staff for their possible help.

The incharge of then animal house Mrs. Showkat shah(retired), Prof. K.K Pillai, Head, Department of Pharmacology and other staff members of pharmacology deserve a special praise for providing the animals and taking their care along with providing instrument for experimentation.

My sincere gratefulness is due towards Dr. Darpan, Mr. Suresh, Dr. Pooja Mullick & Ms. S. J. Gilani for their friendly support, edifying discussions, genuine concern and timely suggestions and especially for their support and help while designing and presenting this thesis work. I don’t find the appropriate words to express my sincere thanks towards my friends Kuldeep, Indu bala, Rajeev, Ravinesh, Jaseela, Shamseer, Sarfroz, Nitin, Himanshu, Umesh, Divyaprakash, Vinay, Anil and Yusuf for their support, enlightening discussions, genuine concern and timely suggestions.

I must apologize to dearest my family members because I just do have words to express what they mean to me, All I can do is thank them for everything that they have done to me. Just my knowing that they are with me gives me strength and fortitude to face all odds. I pray to almighty that we remain as close for rest of our lives.

My work would have been a mission unaccomplished without the facilities provided by various institutions; Central Library, Jamia Hamdard; NML; New Delhi; INSDOC, New Delhi; CSL Delhi University (for providing necessary research literature); CIF., Jamia Hamdard New Delhi (for recording IR, UV, DSC, CHN Data), IIT, New Delhi (For $^1$H NMR & $^{13}$C NMR spectra)
Lastly, I thank one and all who directly and indirectly were a great help throughout my dissertation work.

The expertise in this study belongs to those acknowledged above. All errors are mine.
