LIST OF TABLES

INTRODUCTION

Introduction, Geography and Disease.
Development of Medical Geography. Area
of Study. Sources of Data. Plan of
the Work. Degree of Originality of the
Work.

CHAPTER I

THE PHYSICAL ENVIRONMENT

Location. Physiography. Drainage.
Seasons. Climate and Diseases.
Geology. Soils.

CHAPTER II

CERTAIN HUMAN ASPECTS OF THE EASTERN
MALWA PLATEAU

Population. Nutritional Density. Sex
Industries. Settlements. Modes of
Marriage Concept. Sanitation and Diseases.
Urban Life. Concept of Treatment.

CHAPTER III

MAN AS A FACTOR IN DISEASE INCIDENCE

The Man-Made Environment and Diseases.
Water Supply. Pollution. Air
Pollution. Water Pollution. Waste
Disposal. Noise Pollution. Personal
Pollution. Drainage. Ignorance and
Occupation. Other Factors.
CHAPTER IV  DIETARY HABITS AND DISEASES

I BASIC CONCEPTS

II DIET SURVEY IN INDIA: TECHNIQUES AND RESULTS

CHAPTER V  DIET ANALYSIS

I URBAN DIETARY HABITS

II RURAL DIETARY HABITS

III UNDER-NUTRITION AND MALNUTRITION

CHAPTER VI  DISEASES: I

I GENERAL CONSIDERATIONS

Causes of Disease. Entrance of Disease

II DISEASES OF THE STUDY REGION

CHAPTER VII DISEASES : II

MAJOR ENVIRONMENTAL DISEASES, THEIR DISTRIBUTION AND DISCUSSION

GROUP VII  Skin Diseases.  Scabies.  Eczema.
              Ringworm.

GROUP VIII  Dysentery and Diarrhoea.  Bacterial Dysentery.
             Amoebic Dysentery.  Diarrhoea, Distribution.

GROUP IX   Other Diseases.  Rheumatic Fever.
            Malaria.  Influenza.  Diphtheria.

CHAPTER VIII DISEASES : III

NUTRITIONAL DEFICIENCY DISEASES ... 207

General Deficiency Diseases of the Region.  Distribution and Discussion.
Diseases due to Protein-Calorie Malnutrition (P.C.M.).  Diseases due to Deficiency of Vitamin A Deficiency.  Diseases due to Deficiency of Vitamin B₃ (Thiamine).  Diseases due to Deficiency of Vitamin B₂ (Riboflavin).  Diseases due to Vitamin C Deficiency.  Diseases due to Vitamin D Deficiency.  Other Deficiency Diseases of the Region.

CHAPTER IX  CONCLUSION ... 208
