Acknowledgements

At the very outset, I would like to express a deeper sense of gratitude and respect towards my guide and supervisor Dr. POPAT SAVLERAM TAMBAGE Pune and my co-guide and supervisor Dr. ABASAHEB RAMCHANDRA NALWADE Pune who convinced me to undertake the present study. It was a fantastic experience to work with them. I respectfully thank both of them for valuable guidance and cooperation provided by them during research work. I would humbly and politely thank Dr. Chetan Choudhari, Director Academics and Dr. Mahender Singh, Coordinator, Physical Sciences (Physics) Faculty who showed me proper direction in completing the thesis and all administrative staff of J.J.T. University, Rajasthan for valuable cooperation.

Principal Dr. Kaillash Jagdale, Annasaheb Awate College, Manchar, Dist. Pune provided me timely spaces and lot of co-operation for carrying out the laboratory work and tasks for the study. I would like to thank him humbly for the same. I am also thankful to the Principal, Prof. Ramkrishana More, Arts, Commerce and Science College, Akurdi, Pune for providing laboratory facility also during vacation days.

I would like to extend my thanks to Dr. Ogale S. B., Senior Scientist, National Chemical Laboratory, Pune, and Dr. Kanetkar S.M. Eminent Professor, Physics Department, Pune University, Pune who provided me emotional and intellectual support.

I would like to extend my sense of gratitude to Prof. Miss. Laxmi Singh and teaching staff of Department of Physics and Department of Biotechnology, Annasaheb Awate College, Manchar, Dist. Pune who helped and gave me continuous co-operation in completing laboratory work.

I would like to thank the Librarian and administrative staff of Department of Physics, and Biotechnology, Prof. Ramkrishana More, Arts, Commerce and Science College, Akurdi, Pune; Annasaheb Awate College, Manchar Pune, British Library, Pune, Jaykar Library, University of Pune and National Chemical Laboratory, Pune who extended me timely assistance.

I am especially thankful to the Head, Physics Department, University of Pune, Pune for giving me SEM Photographs at proper time and Dr Vidyasagar, Vice Chancellor, Swami Ramanandtirth University, Nanded for Biophysics study cooperation.
I would like to remain humble in the sustaining shadows of my family, my wife, Shobhadevi, my daughter Dr. Pradnya, my son Rahul, daughter in law Shital and son in law Abhijit.

Mr. Sambhaji Dagadu Shinde
