ACKNOWLEDGEMENTS

I wish to express my deep sense of appreciation and gratitude to my guide Dr. G. R. Pathade, Chief Co-Ordinator, Department of Microbiology, Biotechnology and Environmental Sciences, Fergusson College, Pune, who provided me expertise of inestimable use, sometimes relentlessly to reach the goal. I am bringing this study work in presentable form today because Dr. G. R. Pathade took keen interest in my study work and supervised work with immense co-operation and understanding as well.

I express my sincere thanks to Mr. Ashok Mahadar, former Secretary of Rayat Shikshan Sanstha and Ex-Principal of Yashwantrao Chavan Institute of Science, Satara and Dr. Ashok Bhoite former Secretary of Rayat Shikshan Sanstha and Principal, Yashwantrao Chavan Institute of Science, Satara for providing the laboratory facilities in the Department of Microbiology of the Institute to conduct experiments of my study work. Both eminent persons have been a constant source of inspiration and help during the entire course of the work.

I express my genuine thanks to Dr. T. B. Jagatap, Dean, Faculty of Science, Shivaji University, Kolhapur and Dr. H. V. Deshmukh, Chairman, BOS in Microbiology, Shivaji University, Kolhapur and Head, Department of Microbiology, Y.C.I.S., Satara for their valuable help and constant encouragement during this research project.

My special thanks to Dr. P. K. Goel, Department of Pollution Studies, Yashwantrao Chavan College of Science, Karad for his very important help in the present work.

I express my honest thanks to Late Dr. R. G. Kadam, Head, Department of Microbiology, L.B.S. College, Satara, Dr. P. R. Thorat, Microbioloby Department, Shri Shivaji Mahavidyalaya, Barsi for their constant encouragement and help during the entire course of this work.
My special thanks to Mr. B. D. Gangai, Ex-librarian, Yashwantrao Chavan Institute of Science, Satara, for his kind cooperation and encouragement.

I express my gratitude towards Mr. Parag Katdare for Katadare Masale Industries, Satara, Mr. Satish Wyavahare from Asuvara Masale Industries, Satara for their unlimited help rendered to me during entire course of work. Also I express my sincere thanks to housewives and students, who extended invaluable help by providing pickle samples for study. I thank my departmental colleagues Mrs. N. S. Joshi, Mrs. P. V. Jangam, Mrs. G. V. Utekar, Dr. U. V. Mane, Mr. J. R. Yadav, Mrs. V. S. Patil and Miss. D. V. Shekdar for encouragement and moral support.

I thank non-teaching staff of the Department of Microbiology, Mr. S. D. Sakale, Mr. A. M. Aiwale, Mr. C. B. Ghadge, Mr. M. R. Kadam for their cooperation during the research work.

I am highly indebted to my husband Mr. Sanjeev Wadikar and my daughter Dr. Tanvee for their forbearance and constant moral support in fulfilling this assignment.

I specially mention the efforts taken by Mr. Mukund Dhavale, Mrs. Aruna Dhavale and Mr. Raju Kulkarni of Relax Cyclostyling, Satara and Mr. Dhananjay Khole without which the thesis design and emendation could not have taken the present shape.

Lastly I am grateful to all those who have directly or indirectly supported me in completion of this work.
