ACKNOWLEDGEMENTS

It is with great pleasure and proud sense of reverence that I express deep sense of gratitude and regards to my research supervisor, **Professor A. K. Madan**, M.Pharm., A.M.I.I.Chem.E., F.I.C., Ph.D.(Chem. Engg) (IIT, Delhi), Faculty of Pharmaceutical Sciences, Pt. B. D. Sharma University of Health Sciences, Rohtak, [Formerly, Dean, Faculty of Pharmaceutical Sciences, M. D. University, Rohtak], a fount of infinite wisdom and professional competence, a noble and enlightened teacher completely dedicated to the profession, for his keen interest, timely guidance, excellent feedback when required and most importantly for his extraordinary kindness, support at all stages of this work. It has been an honor to be his Ph.D. student.

I owe a special word of thanks to **Prof. B. Narasimhan**, Dean, Faculty of Pharmaceutical Sciences and Head, Department of Pharmaceutical Sciences, Maharshi Dayanand University, Rohtak for his help and support at various levels to complete this venture.

I would also like to thank **Prof. Arun Nanda** for his continuous encouragement and genuine help.

I gratefully acknowledge **Dr. Harish Dureja**, Associate professor, Department of Pharmaceutical Sciences, M. D. University, Rohtak, for his timely help, encouragement and personal attention whenever I needed.

I express my debt of profound gratitude to **Prof. Gajendra Singh**, Dean, Faculty of Pharmaceutical Sciences, Pt. B. D. Sharma University of Health Sciences, Rohtak, for his help and continuous encouragement to complete this work.

I would also like to express my appreciation to **Dr. Sunil Gupta** for genuine concern and timely help **Prof. P.V. Bharatam and Mr. Harish Jangra**, for helping me in development of computer programs for carrying out my PhD work. I am also thankful to **Dr. K.C. Das** (Sungkyunkwan University, Suwon, South Korea) for assisting in mathematical properties of the molecular descriptors.

It gives me immense pleasure to express my sincere thanks to all my friends in our research group for their unconditional help and support.
I am thankful to all my colleagues at the Department of Pharmaceutical Sciences, M. D. University, Rohtak, for their encouragement and valuable support throughout this work.

I am thankful to all the non-teaching staff of the Department of Pharmaceutical Sciences, M. D. University, Rohtak, for their assistance throughout this work.

This account would be incomplete without the mention of my beloved family members. I owe sincere gratitude to my father, for his love and prayers for me which sustained me thus far. I would like to pay high regards to my elder bhaiya and bhabhi Mr. and Mrs. Dr. Anil Marwaha and younger brother and bhabhi Mr. and Mrs. Surinder Marwaha for their sincere encouragement and support throughout my research work. I do not want to demean the love and immense support of my wife Minakshi for tireless caring, tremendous understanding and providing constant encouragement. She was always beside me during the happy and hard moments to push me and motivate me. I would also like to thank to my daughter Ridhima and son Agam for giving me unlimited happiness and pleasure to keep my heart warm and spirit high.

Above all I thank the Almighty God who is being with me and showers his blessings and grace towards me in all walks of my life.

Rakesh Kumar Marwaha
