ACKNOWLEDGEMENT

First, I acknowledge my deep sense of gratitude and indebtedness to my esteemed Research Supervisor and Guide Dr. K. Girish Kumar, Reader in Analytical Chemistry, Department of Applied Chemistry, Cochin University of Science and Technology, Kochi, for his valuable guidance: and care without which it would not have been possible for me to complete this venture successfully.

Next, I wish to place on record my sincere gratitude to Prof. G. Karthikeyan, Head, Department of Chemistry, Gandhigram Rural Institute, Gandhigram and member of my doctoral committee for all his encouragement and support throughout the course of this research work.

Then, I wish to record my sincere thanks to Prof. N. S. Nagarajan, Department of Chemistry, Gandhigram Rural Institute, Gandhigram, for providing the necessary facilities.

I record my sincere thanks to Prof. M. Sundaravadivelu, Registrar, Gandhigram Rural Institute, Gandhigram, for all his encouragement throughout the course of this research work.

I am thankful to Dr. K. P. Elango, Lecturer and Dr. S. Abraham John, Lecturer, Department of Chemistry, Gandhigram Rural Institute, Gandhigram, for their support, constant encouragement and valuable suggestions.
My sincere thanks to Mr. V. Periyasamy, Mr. K. Krishnamoorthy, Mr. P. Pitchaimani and Mr. A. James, Department of Chemistry, Gandhigram Rural Institute, Gandhigram, for their help but for which the present study would not have been possible.

I am deeply indebted to Dr. Anitha Girish, Reader in Chemistry, Maharaja’s College, Ernakulam, for her support and encouragement during the course of this work.

I express my sincere thanks to my friends A. Nixon Prabu, A. John Amalraj, A. Siva and R. Muthuselvi, Research Scholars, Department of Chemistry, Gandhigram Rural Institute, Gandhigram, and also Mr. N. Narendran for their fullest support during this investigation.

My Grateful acknowledgement and special thanks to Dr. K. Saji John, and Mrs. Ramalakshmy Poduval, Research Fellows, Department of Applied Chemistry, Cochin University of Science and Technology, Kochi for their help during this study.

I extend my hearty thanks to my parents and my dear brother who have been a source of inspiration to me. Their loving concern, care, understanding and sacrifices made my task much easier.

Finally I thank all those who have helped me directly or indirectly in the successful completion of my thesis.

Gandhigram
