LIST OF PUBLICATIONS:

1. Synthesis of some Difuralidenehydrazide derivatives of 1, 4-dihydropyridine as possible antifungals and Insecticidals.

2. Synthesis of some Diimidazolin-5-one carboxamine derivatives of 1, 4-dihydropyridine as possible antifungals and Insecticidals.

3. Synthesis and biologically active characteristic of 1-(aryl / 2¹, 4¹-dinitrophenyl) -3- (4¹¹-methoxyphenyl) -5- (aryl substituted)-2-pyrazolines.

   *Journal National Academy of Sciences (Revised script submitted).*

4. Synthesis of some Isoxazole and Isoxazoline derivatives as possible Antifungals and Insecticidals.

   *Journal National Academy of Sciences (Revised script submitted).*

5. Synthesis and Characterisation of some Biologically significant 1-(aryl/2¹, 4¹-dinitrophenyl) -3- (4¹¹-hydroxy phenyl) -5- (aryl substituted)- 2-pyrazolines.

   *Journal Institution of Chemists (India) (Communicated).*

   *Journal Institution of Chemists (India) (Communicated).*

   *Romanian Journal of Chemistry (communicated).*
